I'LL BE YOUR FRIEND AND I'LL LEND A HELPING HAND

Lydia,
We've been through
Bob, Jim, & Bill together
(not to forget Mr. Roddy) but
some of it was enjoyable and
some of it wasn't but it's
all over now (until next year)
Hopefully next year will be better
than this one (but how could it)
Good Luck in Farmville next year
I had better see you at the Beach.

Lydia,
This has been a great
5 years knowing you.
You're a very happy, sincere
person and will get the best
of all luck at Langwood next
year. God bless you always.
See you sometimes soon.

Lydia,
Remember how we used
to pick on you in our class
back at Rippon. Me and Ken
DeLoach are still as mean as ever.
I wish we had had more classes to
get together (then I could show you how mean
I really am). Seriously, you're one of the few
things I am going to miss in high school.

Lydia,
You're really
one of my first
and favorite friends
in the time of
our friendship
I've come to
realize how
truly good and
sweet a person
can be. I wish
you every
happiness in
the future. Good
Luck,

Lydia,
Good luck in
college next year.
Hope to see you
this summer.
Best wishes,

Lydia
Best wishes to the most beautiful
girl in the Senior class. I
hope you & fun get back
together. I'll never forget
your beautiful smile and
eyes. Take care.

STUDENT LIFE

Mrs. Parr Tells G-F's Story

Determined **not** to teach, Mrs. Parr has been a teacher at G-F since 1946, becoming Gar-Field's first full time guidance counselor in the fall of 1960. At that time, the senior class of '61 had only 67 students, a far cry from 525 students in the senior class of '74.

When Mrs. Parr first came to Gar-Field there were 450 students and 35 members of the faculty. At that time, G-F included grades 8-12 and it was the only high school at this end of the county. There was **no** stadium, just the wooden bleachers.

One of the problems that Mrs. Parr has seen while teaching at Gar-Field has been that the school "had so **many** students, because it was the only high school in the area." In those days, she taught Math, General Science, and Spanish. The Woodbridge High School was later built and Gar-Field's enrollment was down for one year, but it was soon on the rise again. 1965, as Mrs. Parr recalls, was the beginning of the very rapid growth of G-F. "Every morning there was a group of new students." When asked about the size of the building as compared to the size of the student body, she laughed and replied, "Well, we've had three additions, you know, to the old building."

The biggest transaction for the students has been the move into the new school, and the end of the three year long split shift history.

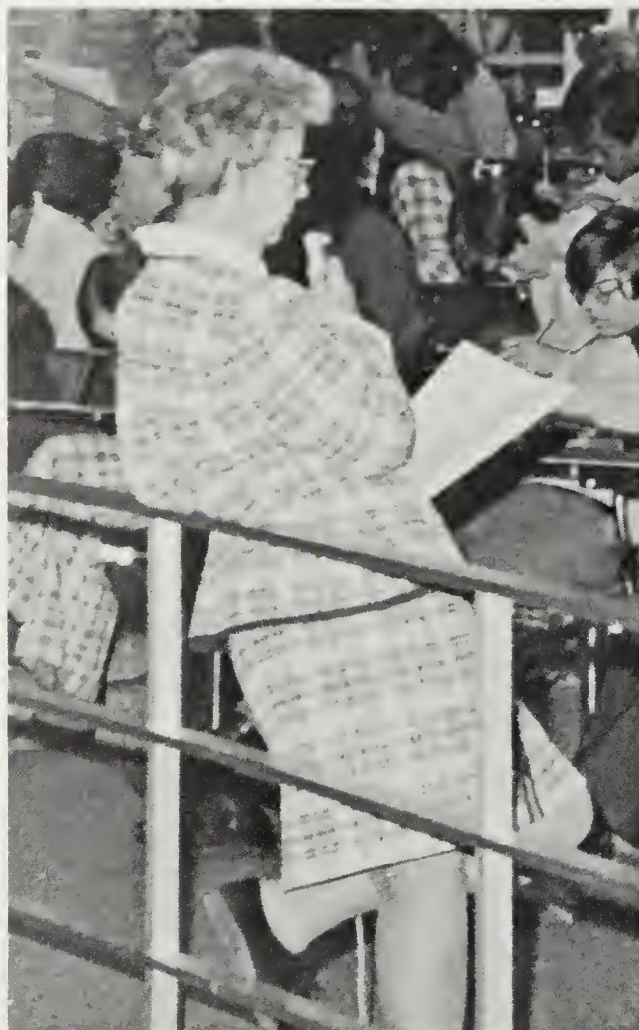

Proportionally, G-F's school spirit and pride has not changed, considering the size of the school from year to year. It has always been here. To Mrs. Parr it has not changed simply because there is too much going on at the same time, so the involvement is spread out.

G-F has not always had Mrs. Parr. Before she came to Gar-Field grounds, she attended college. Upon graduation she began her career in education, teaching three years before she married. That ended teaching for a while, for this was during the depression and few women were hired during this time. Jobs were scarce, and on the most part, men held the positions. Later, Mrs. Parr began substituting and finally taught for one full year in the Valley, where her husband was principal. World War II came and her teaching ended once more until her husband got out of the Navy in 1946. Then it was on to Gar-Field High School.

What would Gar-Field do without Mrs. Parr? Well, next year we'll find out because this is Mrs. Parr's last year at G-F. All students, faculty, and administrators alike will miss her. She has been great for Gar-Field High School.

The many duties of Mrs. Parr never seem to cease.

Gar-Field Dedicated At Last.

Administration, parents and children congregate after dedication.

Gar-Field Senior High School was opened for almost ten months before it was finally dedicated on September 30, 1973. Everyone was surprised when it was announced that the school was finally going to be dedicated because it had been put off for so long. The dedication was postponed so many times because of scheduling of other events in the building filled the calendar.

Administrators, parents, and students were welcomed by Lilo Frank, president of the Student Government Cooperation. Lilo introduced the Gar-Field High School Symphonic Band and also told the audience how great she thought the new school really is. Guest speaker for the occasion was Stewart Beville, former Supt. of Schools in Prince William County. Mr. Beville is currently the director of Off-Campus Affairs at Virginia Tech. The prayer was given by Rev. Duncan, pastor of Dale City Baptist Church. The dedication was a very simple ceremony even though the "new" Gar-Field Senior High School is not a very simple school.

After the ceremony itself there were tours of the school and an open house for all those interested. Most of the discussion between guides, which were students at Gar-Field, and citizens were based on the open concept of teaching. Citizens expressed good views on this new concept of learning. They were mostly amazed at the open classrooms and how students and teachers could possibly work in them, especially in the Math and Foreign Language departments.

Teachers were available in the pods for questions of any sort. They talked to parents, citizens, or just about anybody. The teachers wanted people of the community to be pleased with Gar-Field and the new open concept of teaching.

Although not many people showed up for the dedication, it proved to be a pretty big success. Gar-Field Senior High School has **finally** been dedicated.

G-F students volunteer for dedication tour guides.

Oh Tyler - I fly like you are one of those sweetest girls. You are so good at what you do. Love you.

OUTDOOR TRACK HAS BEST SEASON EVER

Russell Hora gains a mere toehold on the track to victory.

Ernie Wilson, Dale Jones, and Paul Mahood compete in the 220.

To about eighty-three guys at Gar-Field, spring '73 didn't mean flowers, new green leaves and warm sunny days. To them it meant sore calfs, shin splints and hard work, because those eighty-three guys were trying out for G-F's outdoor track team. More guys than Coach Mike Campbell knew what to do with came out for the team, and it looks like this trend will continue in the years ahead.

Under Mr. Campbell's and Coach Aaron Jordan's direction, G-F has become a power to be feared in the D.C. area. Gar-Field is ranked along with Edison, T. C. Williams and Coolidge as a top team.

In 1973, the outdoor track team took first in the district and regional meets, but failed to place at state. In one of the largest invitational meets, the Tennessee Volunteer Classic, our team took a high third out of 102 teams from all over the south.

Lydia, Never forget all the fun we had in Mr. Stefanick's Spanish class. We had some best wishes in all you ever do. God bless and protect you. Debbie "Turtle" "74" Summers

The 1973 Girl's Track Team had what it takes to make a great team. Long, sweaty, hard practices, five and six days a week paid off, as the team rolled on to victories in the county and regional meets. They also made a good showing at the state meet, taking sixth out of sixty-three teams.

This was only the second year that the girl's team had been awarded a varsity letter, and along with this step up, the level of competition rose. The girls feel that they are up to it though. As most of the team will be returning in '74, everyone agrees with Paula Girven, voted the most outstanding team member, that "something bigger is in store."

The team, under the direction of Coach Barbara Smith, consisted of mostly juniors and sophomores, with two seniors.

Interest in the tennis team was visibly picking up last year. Twenty six students came out for the team, and fourteen players were taken to every match. The '73 season was the second season that girls were on the team. When asked what effect five girls had on the team, Coach Clemmons commented, "Makes it more enjoyable."

The team was in the building process, with five lettering seniors returning for that year. These were the numbers 1, 2, 3, 4, and 6 players. The goal for this year is to win the District Championship. Tennis has become a very strong sport at Gar-Field.

Mr. French (Coach), Jim Hill, Shane Havner, Glen Long: **Not Pictured:** David Reichert.

It seems that the golf craze that affects most men hasn't hit Gar-Field yet. Only four guys represented the 1973 team; and even though Coach Rick French worked hard with the team, two main obstacles could not be overcome: 1) not much interest, and 2) no easy access to a golf course for practice. Because G-F has no course (or even a semblance of one), the team played and practiced at the Quantico Marine Base golf course.

GOLF SUFFERS LACK OF INTEREST

Junior Varsity Baseball in '73 had a very impressive season. The team, consisting of an equal amount of sophomores and freshmen, but with no juniors, ended in an eleven wins and one loss season.

Coach Lookabill remarked, "I taught my players that the fundamentals were the key to winning." Preparing his team for a future varsity squad, Coach Lookabill trained them to play "just plain baseball" and to "just plain win."

The 1973 Varsity Baseball team ended its season with a record of 5-11. The team was in a building process as most of its previous stars had graduated in 1972. Only four of the team members had varsity experience before the '73 season. Coach Moore explained, "We couldn't hit the close ones. Our hitting failed us at crucial times." The Indians are dedicated players and constantly work towards improvement.

SECOND BIG YEAR FOR GAR-FIELD GYMNASTS

Coach Howard stresses unity in all routines.

Even though Gar-Field has only had an all male gymnastic team for two years, interest is big among the guys. Many went out for the team, with a final fourteen making it.

Because there are so few boy's teams in our area, our team was forced to compete with long-standing Annandale and Alexandria teams. They held their own though, showing that it doesn't take years of building before a team becomes good. Hard work and dedication are needed, and those two things definately showed up in the '73 team.

Rossie Alston presents his speech to the students

With the school year coming to an end, certain matters concerning the upcoming year needed tending to. Business wise, the SGC elections were at hand. Officers were partaking in their final major duty, the final assembly for the school year, **their** final meeting during their office to introduce the SGC candidates. Sara Cogan, former President of the Student Government, was not present. Barry Beadle presided over the meeting. Seth Brown and Lilo Frank were presented as the presidential candidates, this being their second time for they competed in Jr. High for SCA president. Next in line, the vice presidential candidates, Joy Raftellis, Sandy Schultz, and Rossie Alston were presented followed by Cathy Aldrich, unopposed for secretary. Candidates for Sgt. at Arms were Lydia Ferran, Mark McGowen, and Denise Crone. The presentation was concluded by the speeches of Tina Woods (Richard Clark spoke for Tina since she was away) and Craig Mosher for the Office of COMSTAC.

The second half of the assembly was devoted to the Race Relations Council, formed to help ease the tensions which may arise within our school. In the fall of 1973, this council was to take its place among the many councils, committees, and clubs which make up Gar-Field Senior High School.

"Venice By Starlight"

"Venice by Starlight" was the theme of the 1973 Junior-Senior Prom. For the junior class things got off to a slow start, but the prom ended up quite a big success. It was held May 19 at the Marumsko Creek Park Community Center. Admission to the prom was \$3 for junior couples and senior couples were admitted free.

In February the junior class held a card sale to raise money for the prom. It wasn't quite as successful as expected but it still brought in some money. Other prom fund raising projects by the "Class of '74" were the Male Beauty Contest and the Junior Class Variety Show.

At first there was a lot of conflict between juniors on what the theme would be and finally "Venice by Starlight" was decided on. The entertainment for this occasion was by the "Starlights," a well known band from the Woodbridge area.

Many committees were set up within the junior class to take care of all the things that had to be done to get ready for the prom. The president of the junior class, Julie Wilson, was in charge of the whole prom in addition to being head of the entertainment committee and decoration committee. The refreshments were handled by Patti Case. Toni Nocifora took care of invitations. There was a change in tradition concerning the invitations at the 1973 prom. Instead of the traditional white or light blue with gold lettering they were purple with black lettering, far from being very traditional. Memory books were given out and in charge of this committee was Annie Cummings. Sponsors of the junior class were Miss Turner, Mrs. Scott, Mrs. Woods, and Mr. Davis.

The community center is not very large. A lot of students did attend the prom and as a result there weren't enough seats for everybody and because of the lack of seats many girls ended up sitting on their date's laps. Eventhough it was quite a bit crowded, the 1973 Junior-Senior Prom turned out to be a most enjoyable and memorable evening for everyone.

Another year and another awards assembly, but this one was different, maybe even special. It was the end of the first year in the new Gar-Field and our first awards assembly **together** in three years. In the past, this has been almost impossible due to the split shifts. Aside from the fact that it was a hot, muggy day and we were nearly packed into the gym like a can of sardines, there was an unusual amount of pep and excitement in the air. School was quickly drawing to a close and everyone hurried their final farewells to graduating senior friends. For the most part, students eagerly awaited the awards presentation in which the most deserving are recognized in the different fields. People that they themselves may have voted for weeks before would win the coveted awards. Some of the recipients were in Choir; Carolyn Aiken, outstanding newcomer, Penny Beard, outstanding senior girl, Rodney Freeze, outstanding senior boy and Kevin VanHutton, outstanding musician. These people, considered the most musically inclined among the group in Concert Choir.

There were those fields in which two students were considered equally deserving. D.E. awarded the outstanding girl award to two individuals, Jean Butler and Lee Anne Whittenburg, also, outstanding boy award was presented to Glenn Moore. Fashion Merchandising presented their awards to Lorraine Kreider and Cathy Bossemyer. Debate awarded Meritorius Award/Letter to Jackie Mezaras and Mark Hindin, and Medallion to John Doldt. Library Awards went to Delynn Tennant and Mike Graber. Girls P.E. went to Joyce Gilbert and Sheila Weedon. Industrial Arts award presented to William Reagle, and Robert Gillespie and the Indian Echoes presented their awards to Editor and Co-Editor, Christina Brown and Rita Thomas.

Others saw it fit to present two awards, one for an upperclassman and one for an underclassman. Those which fell into this category are, Art, whose upperclassman was Gail Wilson and underclassman was Robert Nichols. Business Ed presented the upperclassman award to Joan Taboun and to Patricia Wade went the underclassman award. This year the English award went to upperclassman Susan Ritts and underclassman Suzanne Stephens. Debbie Scarbro was the upperclassman who received the award from the Home Economics Department and Wanda Gray was the receiving underclassman. The Mathematics Department presented their awards to upperclass-

man Susan Ritts and underclassman Robert Raybin. The Science Departments' upperclassman award went to Robert Coke and the underclassman award went to Bryan Pieritz. The most patriotic and community minded this year was Gwen Goretsas and Gregory Thompson, who received the American Legion Award. In Dramatics, Rodney Freeze received his award for acting and Ron Hall received his for stage manager. The History Department presented the award for American Studies to Paul Ross and Anna Smith was the recipient of the World Studies award. Rodney Freeze received a certificate for Forensics and Virginia Wilson lettered.

The following people were singularly awarded in these areas; the Band Department awarded Gregory Thompson. Orchestra went to Ellyn Stewart. D.A.R. was awarded to Robin Dean. Soroptimist was presented to Sara Cogan. The I.C.T. award was presented to Maureen Walsh. The following were noted for their outstanding work in the Foreign

Language Department. The French award went to Lilo Frank, Latin award went to Marc Wing, the Spanish award went to Debbie Scarbro, and the German award went to Barbara Saxon.

Noted for his outstanding work in Boys P.E. was LaVerne Hovey. Leigh Brigham was awarded for her ability in Girl's Athletics and Jim Ferraro was awarded for his ability in Boy's Athletics.

Stacy Raftelis was awarded the Student Council award. The L.P.N. award went to Debbie Boozier. Masonry presented its award to John Westerland and Tim Hawks was awarded for his ability in Auto Mechanics. Food Services awarded Julie Tyrrell and Theresa Allen was the recipient of Cosmotology's award. This year's Reader's Digest award went to Susan Ritts.

The Varsity Club Scholarship went to Leigh Brigham and the Science Club Scholarship was awarded to Gwen Goretsas.

All The Moments We Shared Together Are Gone

Mr. Clark presents Julie and Susan Linaberry with Woodbridge Lion's Club Scholarship.

One of the speakers of the "Class of '73" was Susan Ritts. During her four years at Gar-Field she obtained a 4.0 average. It is a very distinguished accomplishment and anyone who maintains it should be proud. A lot of work was put out by Susan during her high school years to be singled out as one of the most outstanding students in her class.

Susan's speech was very touching to everyone who attended the commencement exercises. It brought tears to the majority of people who were there. It even brought tears to the speaker herself.

The basis of Susan's speech was unity or the lack of unity. The "Class of '73" began at old Gar-Field with split shifts separating the students. Everyone dreamed of the day when they would arrive at the new Gar-Field and could begin unifying the class. The move to the new building was postponed time and time again until they finally arrived in late November '72. The result of this was the failure of a dream. "As I stand here I don't know the people in front of me. As a class we are strangers. We have no unity."

"Class of '73" Speaker, Susan Ritts.

"Our world is not wide enough it seems. To hold all the wonder of youthful dreams."

Sara Cogan and Richard Clark predicting the future for fellow graduates.

Graduation for the "Class of '73" had finally come on June 8, 1973. It is one of the most special occasions in the lives of these young people. The gym at Gar-Field was jammed with teachers, parents, relatives, friends, and of course graduates. There wasn't even standing room. Four long years of high school were coming to a close. Each person in that gym had a different thought going through his mind. Parents were shedding a few tears thinking about their little boy or girl growing up, but there was also pride in their faces. Little brothers and sisters were thinking it'll be great to get that ole big brother out of the house and off to college. Friends were remembering all the good times that were spent. Teachers were trying to remember which of these students they had in their classes in the past four years. The ones doing the most thinking though were the graduates. Most were probably wondering about parties after graduation but they also had to be thinking about the new life they would be starting after tonight. What would life be like now? The future will answer that for all of them.

Mr. Rampley, sponsor of the "Class of '73" since their freshman year, fell short of words when asked his opinion of the class.

"They were good as freshmen, as

sophomores, a good junior and senior class, a hard working class with a tremendous amount of leadership material, as each year the offices were held by different people."

A lot of things were done during the commencement exercises. There is always the presentation of awards. They are as follows; The Eastern Prince William Professional Women's Club was presented to Laura Delozier (\$200), Woodbridge Women's Club was presented to Julie Linaberry (\$500), American Legion Auxiliary was presented to Dorothy J. Smith (\$500), Woodbridge Lion's Club presented to Susan and Julie Linaberry (\$500 each), SGC Award was presented David J. Nixon (\$100), "It's Academic" was presented to Sara Cogan (\$100), and Mu Alpha Theta was presented Margaret Suddarth. Two very distinguished awards were presented at graduation. No cash was given with them. The Citizenship Award was presented to Sara Cogan and the Scholastic Award was presented to Susan Ritts.

A few members of the graduating class gave speeches. Some of which were very touching. Giving speeches at the commencement exercises were Susan Ritts, Sara Cogan and Richard Clark, David Samanie, and Fonda Franklin. These graduates spoke of their years at Gar-Field and how they must prepare for the future and accept the things that go along with growing up.

The most important event of the evening was each individual taking that long walk to the platform to receive that much dreamed of diploma. Many faces were tear stained. Were they crying out of joy or out of sadness? Half and half, most likely. After twelve long years of waiting for this moment, the "Class of '73" found that it was over all too soon. They soon found themselves in each others arms hugging, kissing, and crying. These graduates have just stepped into a whole new life. What does the future have in store for them?

But The Memories Will Last Forever

Students make good use of reference room.

Summer school '73 was the first year of summer school held at Gar-Field. It had been previously held at Woodbridge High. The reason for holding summer school here was so that the facilities of the new school could be used more fully.

There were about 1000 students from Gar-Field and Woodbridge attending the summer session. This year these students had more of a variety of subjects to choose from than in previous years. Most students enjoyed attending summer school in a new air-conditioned building, although it still meant getting up early. Having a new building made things a little better because the atmosphere was more pleasant for students and teachers alike.

Summer school is just like attending regular school. The days aren't quite as long and the halls aren't quite as crowded because less students attend summer school. A day of summer school starts at 8 a.m. and ends at 1 p.m. During this five hour period the students are given two 15 minute breaks. In the cafeteria the students were given an ala carte menu to choose from. Attending summer school isn't all that bad. It is another opportunity for students to further their education.

School Opens More Smoothly Than Ever

The 1973-74 school year at Gar-Field High School started early on Monday morning August 27, too early for most students, teachers, and administrators. But somehow, somehow everyone made it for the first day of school. Students were eager to see friends from last year and to make new ones. This year's student body numbered approximately 2800, which is the largest ever for G-F.

Things got started with an assembly in the gymnasium with the whole student body attending. Lilo Frank, SGC president, led us in the Pledge of Allegiance. Mr. Cox gave an opening prayer and then he spoke briefly to explain school policies and regulations. There are a few new rules at G-F this year but the thing Mr. Cox emphasized the most was that old rules were going to be enforced. He also took this opportunity to acquaint students on how classes were scheduled.

Students were then dismissed to homeroom advisories to begin the school year. In advisory the teachers went over the student handbook and tried as best they could to answer any questions students had about anything. They also tried explaining schedules so the first day of school would go over smoothly. Schedules were hard to understand this year because of regular and alternate day schedules, but by the end of the first week students were getting along okay with their schedules. All in all things went quite well. It's the best start of a school year Gar-Field has seen in quite a few years.

There was a new sense of pride and spirit this year as school began at G-F. The atmosphere was very friendly. Students felt as one, proud, and united once again at Gar-Field Senior High School.

"Keep Smiling" was objective of SGC when taking student I.D. pictures.

Subschools: Divided But United

Judy Scheiner raises a question at subschool meeting.

Students listen attentively to speakers.

Dr. Grant explains his new duties as temporary vice principal.

This year's student body is divided into four sub-schools. The deciding factor of what sub-school you are in is what department your homeroom is in. Each sub-school has a letter designation; G (Gar), F (Field), H (High), S (School). Each assistant principal is the dean of a sub-school. The deans are as follows; G — Mr. Clark, F — Mr. Parker, H — Mr. Gerhard, and S — Mr. Young.

At the beginning of every month each sub-school has its own assembly. The assemblies are for the purpose of discussing matters concerning school policies, student issues, and anything else that involves that particular group of students. The deans also allow the students to ask questions and they do their best to answer them.

At the first sub-school meeting each sub-school nominated students for the

Student Advisory Board. From these lists students were elected for each sub-school with voting being done in the homeroom advisories. The board also includes some teachers and parents. Many problems will be solved because of this advisory board. Its chief responsibility is planning sub-school assemblies.

Students were assigned to sub-schools so that the deans could get to know the students better and to be able to handle problems of the students more efficiently. Whenever a student has a problem of any sort he is able to go to his sub-school principal and get a little more personal handling of his problem.

With the new idea of sub-schools and sub-school principals the school administration is able to run Gar-Field more smoothly than in previous years.

The feeling ran high in the visitor's stands, as well as down on the playing field. It was the opening game of the '73 season, and everyone from Gar-Field: players, coaches, parents, and fans expected to win the first game. By the middle of the third quarter, after a touchdown scored by quarterback Billy Myers' pass to Jeff Nixon, everyone not only expected to win, but **knew** we would win. This feeling was reinforced when Don Sears scored again in the fourth quarter. Screams and yells sounded as the G-F stands went wild with happiness, as did our team and cheerleaders.

When the stands finally quieted down, it was realized that an attempt at a two point conversion had failed, but the two touchdowns and extra point gave us all we needed to win. The final score was 13-0, with Gar-Field recording the only shut-out of the night in the Commonwealth District. The game was Coach Bob Pruitt's first win at Gar-Field, and it was definitely a happy one.

Student Life After Games

Clapping and singing is one way everyone has fun at Shakey's.

This year Gar-Field students have had a new sense of spirit. They like being together cheering for their teams. Even after the games are over the spirit lingers on.

If you listen closely during the games, you'll be able to hear the discussion of where everyone is planning on going after the game. After the first few football games quite a few people would go to McDonald's, but then towards the middle of the season Family Pizzeria in Dumfries became a very popular gathering place. There was standing room only. The G-F students kept all the employees moving. After the Gar-Field vs Woodbridge football game there was a change in atmosphere. Shakey's Pizza Parlor had just opened in Woodbridge, so that became the new place to go.

Shakey's is still the most popular. Most everyone goes there after wrestling matches and basketball games. Everybody there is eating pizza, drinking coke, singing, talking, and just having loads of fun with their friends.

COUNTRY TEAM FROM STATE MEET

Holding on to second place Gar-Field's runner strives to overtake the lead.

They're off and running.

The 1973 Gar-Field Cross Country team got off to a good start, but injuries in the middle of the season badly crippled the harriers for some of their most important meets. The '73 team relied heavily on Walter Jachimowicz, whom they voted their most outstanding runner. It was felt that the best meet the G-F team participated in was the William & Mary Invitational. In that important meet, Gar-Field finished tenth out of a total of 61 teams. Walter Jachimowicz finished first, and Jim McClure finished eighth. Mr. Paul Szymonski, the team's head coach, felt that the biggest disappointment of the season was in failing to qualify for the state Cross Country meet by only two places. Any other year, the team would have qualified, but this year the standards were raised to the top four teams in the region. Crippled though they were, the G-F harriers still came in sixth in the regional meet.

Mrs. Patricia Cone was a big help to the team in '73 by driving them to several of the meets. Mrs. Cone is the mother of Candy Cone, the first, and only girl so far to be on a Cross Country team at G-F. Not only was Candy the first girl on an all male team, she was a freshman too. Candy put out a valiant effort in every meet that she participated in.

Course records were established by Walter Jachimowicz at Albermarle, Lane, Gar-Field and William and Mary. Jim McClure also set course records at Lane and Gar-Field. Walter Jachimowicz took seven first places and Jim McClure took two out of ten meets.

Things Are Really "Hot" At The Bon Fire

The moon shines down upon a lone Colonel.

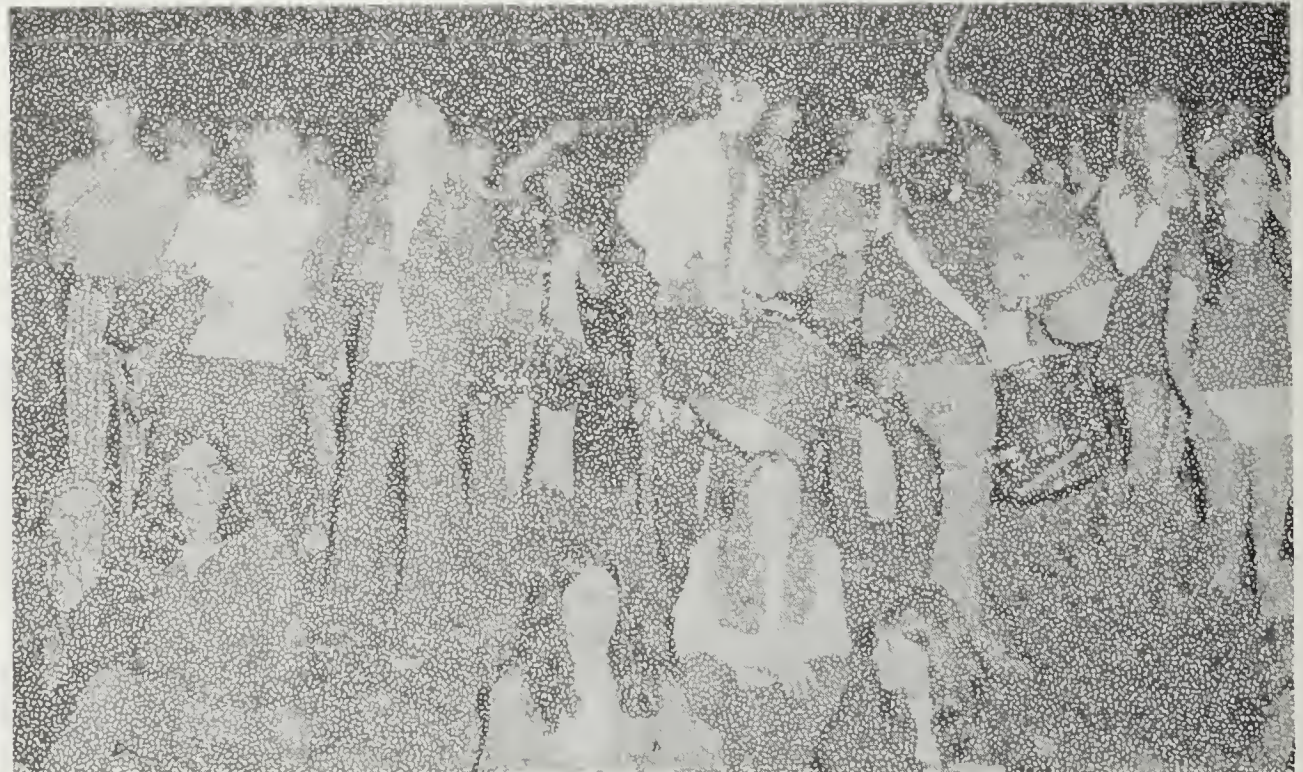

Um Ungowa Gar-Field's got the power!

At long last the wood is a great blaze.

All day Thursday, October 11, Key Club Rats were busy building the bon fire for the '73 Homecoming. They worked hard and at long last the wood was ready for burning.

People started arriving early. The spirit was high and everyone was anxious for things to get underway. Members of the Key Club were busy putting the gasoline on the wood, cheerleaders were running around with oversized football jerseys on, the band and majorettes, marching to a

The marching band's drum section contributes a lot of spirit.

drum beat, were on their way to the fire. Indianettes were brushing up on their routine, and students were hurrying to get to the bon fire on time. Finally at 8 p.m. the huge pile of wood was ignited. A tremendous roar went up from the crowd as the dummy, which represented the James Wood Colonels, went up in flames. The fire started out slow but at long last there was a fantastic blaze. The flames were very brilliant and hot. There was cheering, singing, and dancing all

over the place. Everywhere one looked there were spirited people.

At about 9:30 p.m. a fire truck from Dale City Vol. Fire Dept. went through the process of putting the fire out. Students were on their way home, but they would return Friday night, October 12, to show their spirit once more as the Gar-Field Indians hosted the James Wood Colonels for the 1973 Homecoming at Gar-Field Senior High School.

"THE MOST HEARTBREAKING GAME"

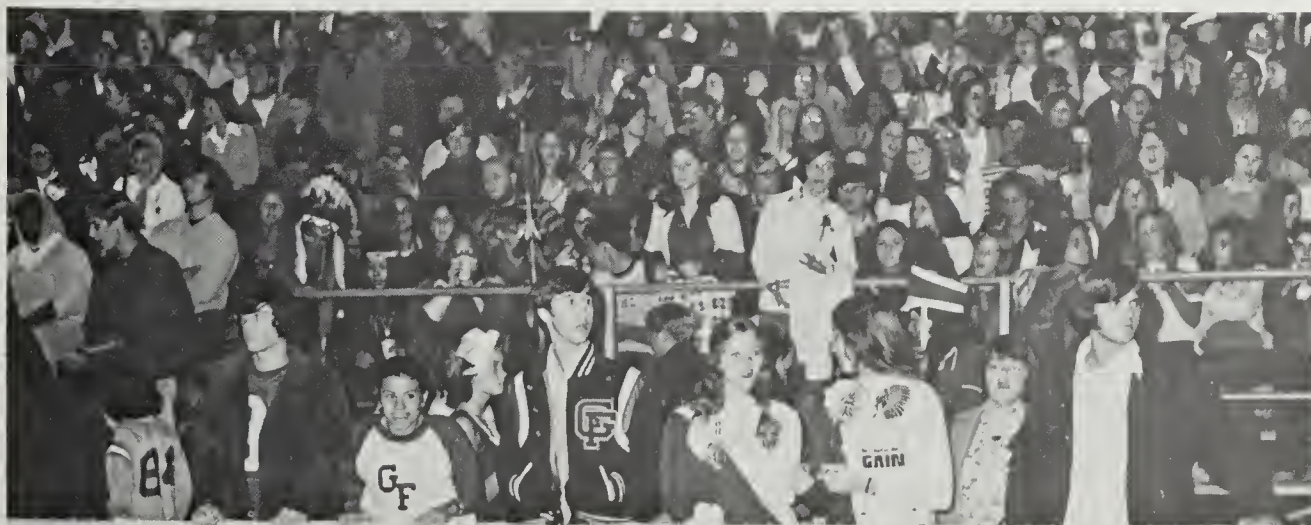

Gar-Field players surround a Colonel.

"Great is the need of sympathy, great is the need of love."

"Come on you guys, you can do it!"

Most people would not vote for the Homecoming game in 1973 as the best game of the year, although statistically the team performed excellently. What the game could be voted was "The Most Heartbreaking Game in 1973," and indeed it was.

Gar-Field outplayed the Colonels in nearly every category, and did especially well holding James Wood's offense. The Colonels managed to put only seven points on the board throughout the whole game. The extra point after James Wood's one touchdown proved to be the winning margin, as Gar-Field's attempt at a two point conversion failed. The conversion attempt was accompanied by a controversial play. It looked as if at least five James Wood linemen jumped offsides, but they were ruled not offside by the officials.

The Indians had two more chances to score, but were unable to do so. An attempted field goal was wide to the left, and a fired up offense later drove down the field, but then stalled when quarterback Billy Myers was sacked three times for twenty eight yards.

G-F fans enthusiastically support their team.

Sophomores Enter Winning Float

Sophomores have winning float with Tammy Eller roasting a James Wood Colonel.

Freshman class says BEAT COLONELS!

The Spanish Club seemed to think shrinking the Colonels was a good idea.

The senior class was ready to "Burn the Colonels and Watch 'Em Pop!"

Shake and Bake was the theme for the Class of '75.

VICA club shows spirit by entering their float.

One of the main events of Homecoming is the float contest. Many students from each class and club put hours of hard work into the floats. Meetings were held and decisions were finally made. Next came the process of finding a place to build the float, designing it, gathering the materials needed any way possible, and many hours of labor. Each float was very unique as a lot of hard work was put into every one.

On the night of the game all the floats were brought to the stadium. Before the game they were driven around the track to be judged. This year there were six entrees in the float contest. They were the senior, junior, sophomore, freshman classes, VICA, and the Spanish Club. The winner of the float contest was the sophomore class and second place was taken by the senior class. During halftime the floats were driven around the track once more in the order of placement. As each float went by the stands cheers went up. Everyone was proud of the float that represented them.

Jennifer Price Crowned '73 Homecoming Queen

Halftime activities of the 1973 Homecoming football game were extensive and exciting as all homecoming ceremonies usually are. Everyone was eagerly awaiting the presentation of the Homecoming Court.

The princesses of each class were driven around the track in convertibles. When they arrived in front of the press box each girl was introduced and escorted by her father to the football field. First presented were the freshman princesses Toni Castro and Mary Ann Wilson. Next to arrive were the sophomore princesses Maureen Riley and Joyce Gilbert. They were followed by the junior princesses Pam Anderson and Rosie Rivera. Finally the senior princesses were introduced, Mona Rader, Kay Tyrrell, and Jennifer Price. One of these three girls would be crowned the 1973 Homecoming Queen. Then Mr. Cox came onto the field with John Sawicki, carrying the crown on a velvet pillow and Missy Wilman with the long stemmed red roses for the queen. They are both three years old.

All eyes were fixed on the middle of the football field. Principal, Mr. Cox then crowned Miss Jennifer Price the 1973 Gar-Field Homecoming Queen. Applause and cheering were heard both on the field and in the stands. Happiness filled the faces in the stadium. The crowning of the queen was over, but the floats were yet to come.

The following evening was also to be looked forward to as that was the night of the Homecoming Dinner-Dance.

1973 Dinner Dance

The 1973 Homecoming Dance was a great success. It was sponsored by the SGC. This year there was a change in tradition. Instead of just a dance it was a dinner-dance. The Holiday Inn in Dumfries was picked for the event. The cost was \$15 per couple for both dinner and dance. If one planned to attend just the dance, it was only \$3 per couple.

Dinner started at 7:30 p.m. The menu was varied and the meal was served buffet style. The band "The Starlights" played soft music during dinner. Quite a few people didn't attend the dinner, but then came later for the dance. At 9 p.m. everyone went out to the lobby so that the tables could be cleared for dancing.

"The Starlights" got the dance started with some fast music. As always the dancing started out slow with only a few couples on the floor, but it wasn't too long until the floor was jammed. About half way through the dance Mr. Mattice introduced the Homecoming Queen, Jennifer Price, with her escort Gary Stoffregen, and her court attendants. Soon things got going again. So many people were dancing that everyone couldn't fit on the floor. During the dance, punch and cookies were served.

The evening was over all too soon but it would be remembered by everyone. The dance turned out to be one of the **best** Homecoming dances ever given by Gar-Field.

The Starlights provided the entertainment for the dinner and dance.

Homecoming attendants await the rest of the introductions.

Everyone enjoyed dinner including Mr. Cox.

Rose Engel, Cindy Reed, and Laine Stewart sell bake goods for the Art Club.

Every club and all the classes at Gar-Field are always trying to earn money to put in their treasury for use in future activities.

Some examples of money making projects are car washes, bake sales, and candy sales. Probably the two most popular ways of earning money are bake sales and car washes. Quite often during a car wash the club will also have a bake sale at the same location. It has proven to be a good set up. This year the Indian Scripts earned money by selling Gar-Field tee shirts. Not only are the members of the clubs earning money but they're having loads of fun.

There are some ways of earning money which are a one time thing during the year. Such things as the senior class powder puff football game. The juniors sponsor three activities during the year. Two of them are the Junior Variety Show and Male Beauty Contest. The money earned from these are used to put on the Junior-Senior Prom. The Sophomore Beauty Contest is one of the ways the sophomore class earns money. One of the big activities of the year is the Homecoming Dance which is the way the SGC earns money. This year there was a new money making activity. It was a Valentine Sweetheart Contest sponsored by the Indian Echoes.

The student body at Gar-Field Senior High School was presented with an optional 45-15 schedule for the upcoming year of 1974-1975.

Subschool assemblies were held under the direction of Mr. Larson to inform the student body of the possibilities for next year. Many of us asked, "What is 45-15?" It is basically going to school for nine weeks and then being on vacation for three weeks. Essentially it is going to school year-round; however you go the same amount of days as the traditional year with equal vacation time. 45-15 offers four color groups including blue, green, orange, red and a purple schedule which is traditional.

The problem facing the administration, faculty and student body is that we are a student body of approximately 2,900 and next year we will be larger. We have already outgrown our building and something needs to be done. What?

Gar-Field High School is not only used for the benefit of the students but also for the benefit of the community itself.

The Woodbridge Community Concerts Association sponsors the different concerts that appear in the Gar-Field auditorium. Throughout this year many types and kinds of concerts were performed on the G-F stage.

The most popular one could probably be said to have been "The Young Americans." They are a group of young people that range from fifteen to twenty years old and come from all over the United States.

Their concert was enjoyable to every type of person because they performed every type of music. Some kinds of music they did were spirituals, classics, nostalgia, love, musicals, and many more. They were even able to keep the children occupied by doing an act from "Sesame Street."

All of the community concerts have turned out to be quite successful and Gar-Field helped make it all happen.

PSAT/SAT Are Given At G-F

The PSAT is the Preliminary Scholastic Aptitude Test. It is given to any junior who wants to take it for a fee of \$2.50. This year it was given on Tuesday, October 23 during school time in the auditorium. This test gives students a chance to find out what SAT's are like. They are graded on the tests and the scores are then sent back to the school. If the student wants, these scores may be sent to the colleges of their choice. The scores will give the student some idea of how he will do on the SAT's.

The SAT is the Scholastic Aptitude Test better known as the College Entrance Exam Board. This year they were given on Saturday, November 3, December 1, and April at 8:30 a.m. These tests are sent to the colleges of your choice. They were given in the auditorium not only to Gar-Field students, but students from other schools. These tests are very important in that they help determine your entrance into college.

"Mean Jeans" vs "Dougie's Dames"

The fashionable cheerleaders add uniqueness to the game.

Sheila Weedon runs toward a "Mean Jeans" touchdown.

Coaches for "Dougie's Dames" are doing the best they can to get their team going.

A last minute pep talk is given to the "Mean Jeans."

Friday, November 2 was the day many senior girls had been waiting for since their freshman year. It was the night of the powder puff football game when the "Mean Jeans" met "Dougie's Dames." The two teams consisted of a bunch of senior girls that were full of class spirit.

The coaches of the teams were senior varsity football players. The coaches of the "Mean Jeans" were Billy Myers, Woody Bergeria, Bill Castro, Marc Urioste, Steve Sexton, and Mark Heiser. Doug Fargo, Marty Griffin, Mark Murphy, Jim Hill, Russ Scott, Colin Parry, Tim Orehowsky, and Walter Munyan were the coaches for "Dougie's Dames." Each team held practices and worked out hard. They had the bumps and bruises to show for it. All the girls were really up for the game and determined to win.

Both teams had a squad of cheerleaders, that were boys from the senior class. They dressed in the colors of the teams; the "Mean Jeans" red and "Dougie's Dames" blue. They showed a lot of spirit and enthusiasm for their teams. The announcer for the game was Rossie Alston. He made the game that little bit more exciting.

It turned out to be a rough, tough game. There were a lot of aches and pains after the game but it was all worth it. The senior class would use their profit to pay for their senior class trip in the spring. The final score was 22-0 with the "Mean Jeans" stomping "Dougie's Dames."

Gar-Field Used As An Election Poll

A voting booth was set up in the hall.

Volunteers explain voting procedure to a woman voter.

November 6, 1973 was election day in the state of Virginia. It was the election for state and local officials. This year Gar-Field Senior High School was used as a voting poll. It was set up in the hall by the lower auditorium. Tables were lined up along the walls and also a voting booth.

There was one important outcome of the elections and that was that Virginia got a new governor, Mills Godwin. He was the governor of Virginia January 1966 through January 1970.

This year a lot of students from Gar-Field were able to vote in the elections because of the 18 year old vote.

DECA Really Gets Involved

President of DECA, Patty Blakenship.

DECA is one of the most active classes at Gar-Field. Besides being an educative class they are a club. They get involved with just about everything. Constructive activities are their main goals.

Like any other club they too need to earn money for their activities. This year one of their means of earning money was a candy sale held October 1 through 13. It was a profitable deal. They also held bake sales throughout the year. A clean up of the school was conducted by DECA. Field trips are also one of the ways members of DECA have fun.

Each year DECA gives a Halloween party and a Valentine party for the students at Muriel Humphrey School. It is an occasion that is looked forward to by all that are involved. The members of DECA enjoy giving these parties for the children but most of all the children

have a wonderful time attending them.

DECA is very much concerned with the welfare of children. This year they did something out of the ordinary. No club or group at Gar-Field has ever thought of such an idea. The DECA club adopted two deprived Mexican children; they are Luz Maria Gonzalez Dominguez, age 13, and David Leon Diaz, age 12. Each of these children receive \$12 a month to help pay for food, clothes, and school supplies.

The club got the idea by looking through magazines. They saw an ad for the Christian Children's Fund and decided that DECA would be able to adopt two children. They had no preference of where the children came from. They have made two underprivileged children very happy and thankful.

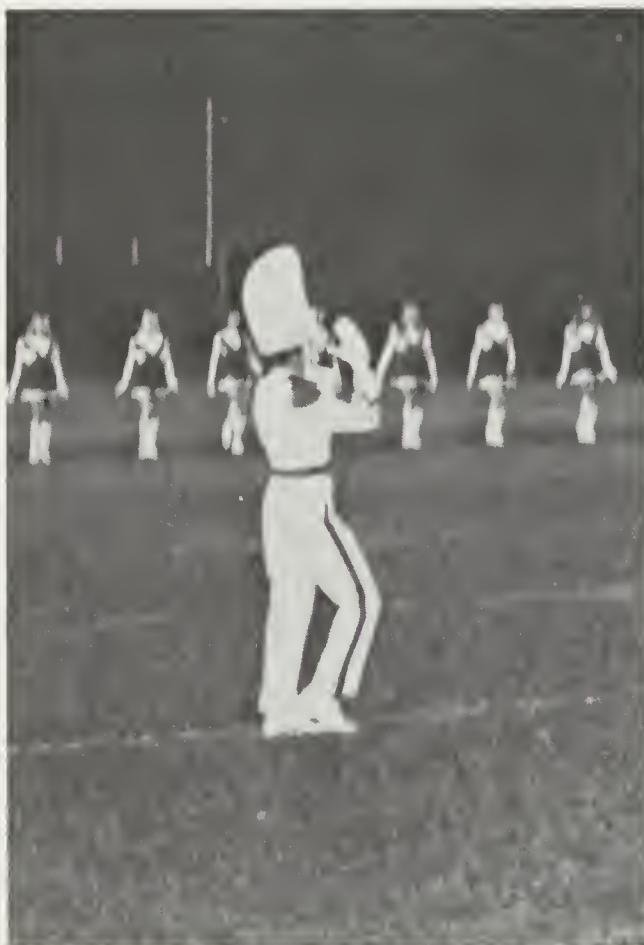

Gar-Field Senior High School Marching Band

Gar-Field Marching Band

The Majorettes, Indianettes, and Marching Band are an important part of Gar-Field's football season. They add something extra by performing pre-game and halftime shows at the Indian football games. They also show their support for the team by traveling to most of the away games and showing their spirit from the stands.

The Marching Band numbers 96 and is under the direction of Mr. Jones. With the help of Drum Major Ken DeLoach, Mr. Jones worked with the band every-day after school out in the parking lot in preparation for the games. In October, along with the Majorettes and Indianettes, the band traveled to Williamsburg, where after capturing first place in a parade as the best marching band, they performed at the halftime of the College of William and Mary football game against VMI. They took second place in the halftime competition. It was another accomplishment of the band which G-F students can be proud.

Put On Great Halftime Shows

The Indianettes perform their skill during a halftime show.

The drill team, appropriately named the Indianettes, is under the direction of Miss Scripture. The group consists of 24 members. They spend their time after school practicing their routines in the gym lobby. Some of their practicing is done in the parking lot with the band, but no matter where their practicing is being held the Indianettes are working hard to make their routines perfect. To the accompaniment of the band the Indianettes perform at halftime. They make our games a little more unique.

A squad of 8 majorettes was added to the band this year under the direction of Miss Gill. They practice hard every day after school in one of the downstairs halls. During several halftime shows, they displayed their skill by twirling batons which were set on fire at each end. The Majorettes have also performed by themselves in various parades and competitions, often gaining recognition by receiving some kind of an award. The Majorettes are a fine addition to the band.

The newly formed majorettes display their talents during halftime.

Spirit At Pep Rally Is Tremendous

Debbie Brooks presents Gar-Field's new flag.

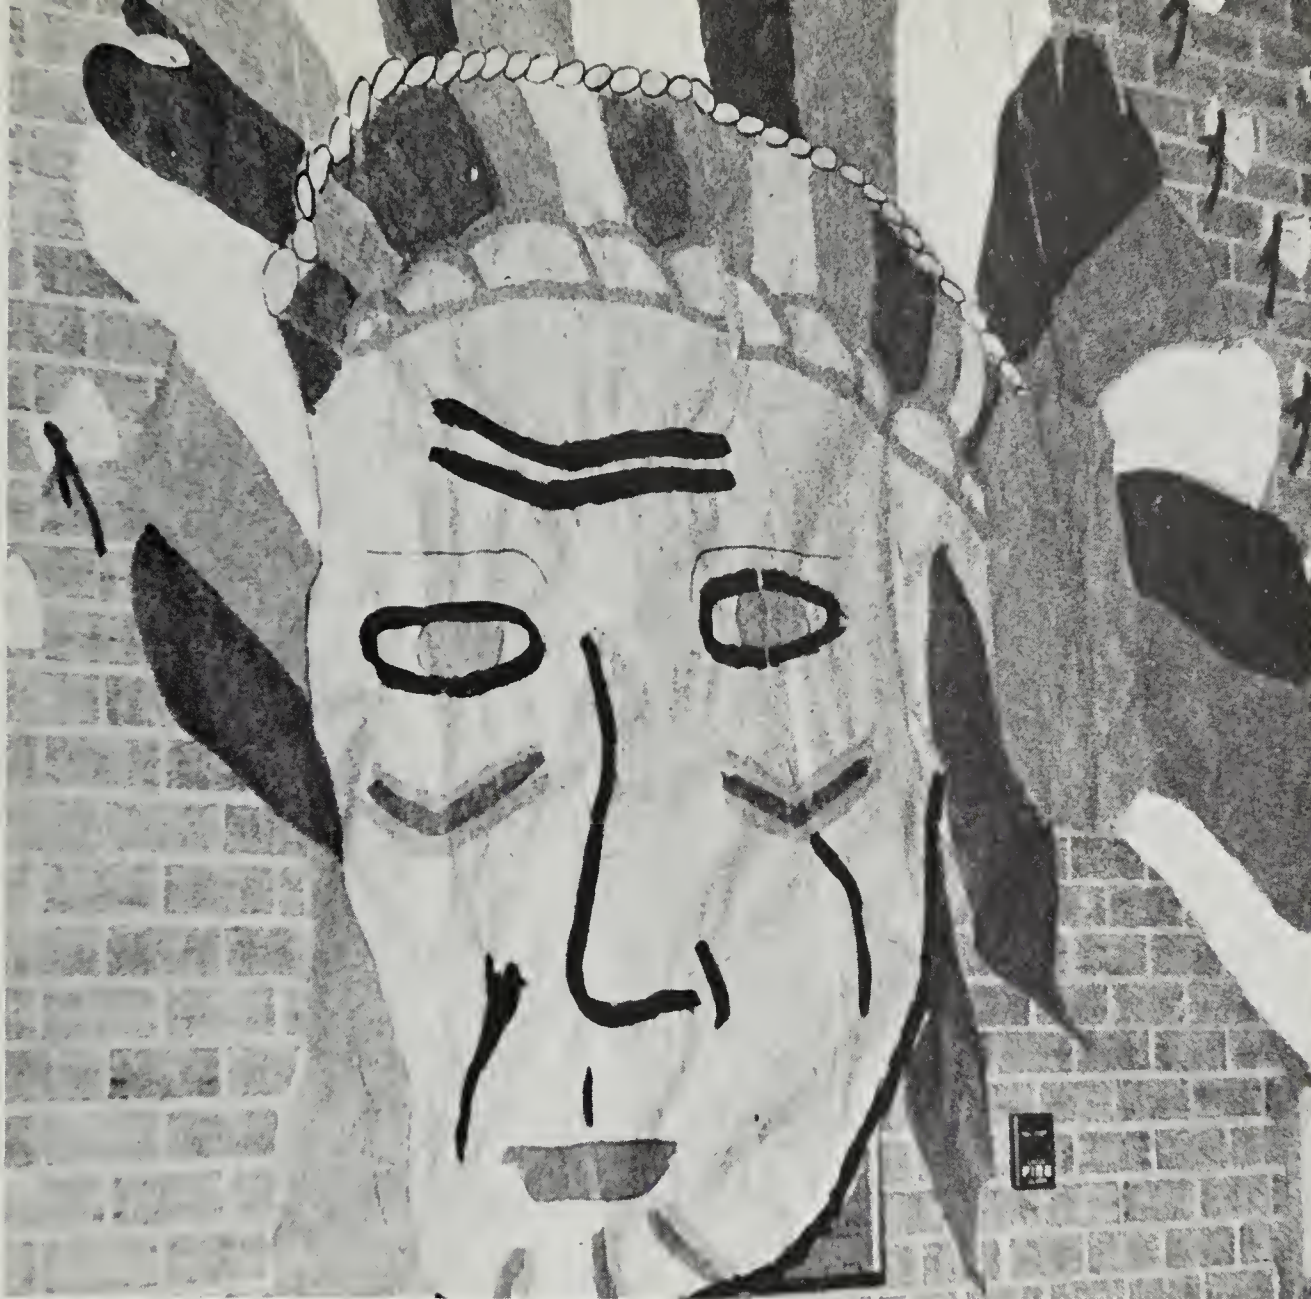

Everyone gets ready to yell for their class in the class yell.

Friday afternoon's pep rally brought even more excitement to those who had made spirit week what it was. The school work was behind, and for about 45 minutes class competition came to a standstill with one thought on everyone's mind, and the cry "Beat Woodbridge" echoed throughout the school. The 3000 students that gathered in the gym that afternoon may, 10 years from now, remember the crowds, the difficulty they had clapping their hands fearing they might slap the person standing next to them, or the heat. No one will soon forget the spirit that rang from the gym and sent shudders up the spines of those Vikings still in class some 5 miles away. November 16, was D-day for Woodbridge, the Indians knew it and the Vikings may have sensed it. Hands burned, ears ached, and throats were parched, but spirit was high.

Kay Tyrell and Jeannie Williams discuss cheers for the pep rally.

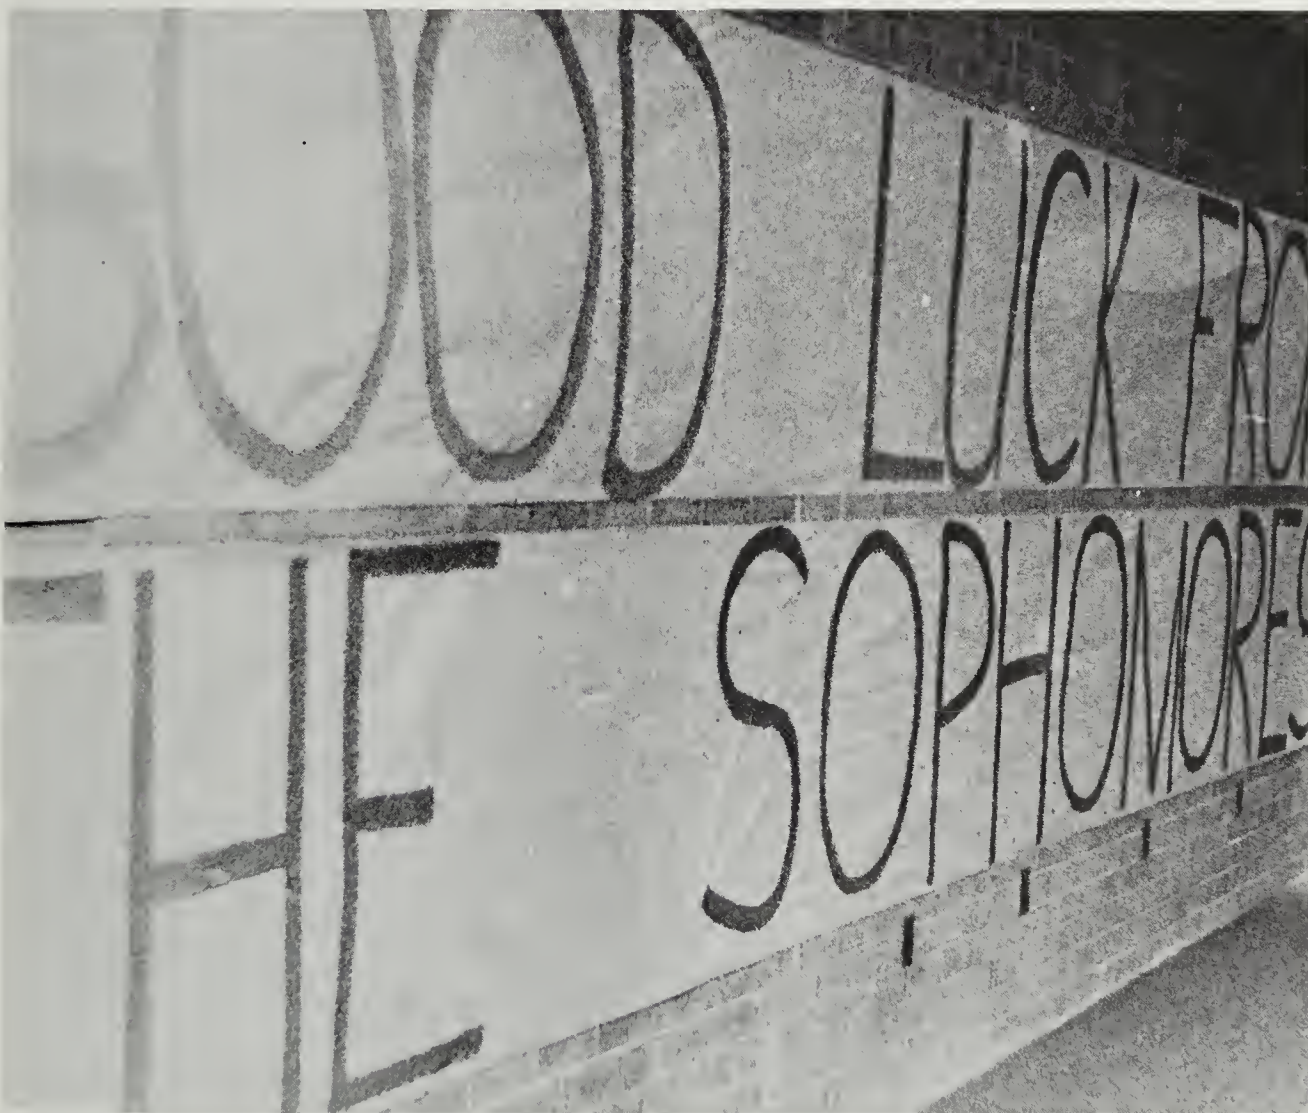

A great Indian head was displayed in the senior's hall.

The outcome of Spirit Week was a surprise to everyone this year, with the Juniors walking away victorious in the hall competition. Spirit was overpowering with the football players and the rest of the student body, feeling like winners even before the Friday night clash with all time rival Vikings.

Monday afternoon began the grueling, competitive, "funtastic" work between the classes. The turnout picked up as the days quickly passed — with so much to do in so little time. The anticipation of Friday afternoon's judging was so great, that it seemed to be a lifetime away.

When the bells rang Friday afternoon, those who had worked so hard on their sections, took a deep breath, crossed their fingers and ran to take down the decorations, as time was a factor in judging. Before long, the halls were cleared and excitement was left to mound in the few hours before the Indians were to take on the Vikings in Indian's territory.

GAR-FIELD SMOKES WOODBRIDGE, AGAIN!

At 6:45 p.m., Friday, November 16, 1973, Woodbridge Senior High School felt its first blow of impending doom. At that early evening time, a seemingly endless line of brightly decorated cars rolled out of the parking lot of Herb Saunders Middle School, along with a police escort. They were headed spiritedly towards the Gar-Field Senior High School parking lot. Most people were unaware of the annual caravan's existence, and they were awed by the huge amount of screaming and yelling and horn honking that was going on. Although this, to G-F students was only more evidence that school spirit was higher than it had been for many a game. The excitement of the players and students was helped by faithful parents and inspired visitors.

Just as everyone was beginning to feel frostbitten and impatient, the G-F team and their parents were introduced to the stands. Then finally, at a few minutes past 8:00 p.m., the big game began. The Indians kicked off to Woodbridge, and after that, things went steadily down hill for the Vikings. Gar-Field received the ball after three plays, and drove close enough to the Viking end zone to get a three point lead from a Herbie Porter field goal. The second time the Indians got the ball, Dexter Green ran 24 yards for another score. At the end of the second quarter, the Vikings ran in for their only score of the night, and the half ended with the score Gar-Field 9, and Woodbridge 6.

The people in the G-F stands expected to win 9-6, as the third quarter, and almost 11 minutes of the fourth quarter went by with neither team scoring. Suddenly though, the Indians exploded wildly, and drove 70 yards downfield to the Viking one yard line. With a mere 10 seconds left on the clock, quarterback Billy Myers ran into the end zone for another six points. Ronnie Norman kicked a successful extra point, to make the final score a beautiful 16-6, Gar-Field's favor.

The clock had not completely run out yet, but exultant Gar-Field players and roaring fans ran on to the field. The adoring fans completely mobbed the successful Indian team. Amid the chaos, Mr. Saunders presented Coach Pruitt and the team with the annual Herb Saunders Trophy. Confetti snowed down, throats turned raw from screaming congratulations, and everyone decided that it was a fantastic ending to a triumphant season.

The Indians stop for a temporary delay as they progress the ball down the field.

Our's again, Coach Pruitt holds Gar-Field's hard won trophy, the final victory.

Fans Cheer G-F Indians On

The stands are always filled with hundreds of people.

Mr. Cox is one of the Indians many fans.

All types and kinds of fans come to cheer the Indians on to victory.

Probably one of the most important factors of a football game is the fans. The football players need the screaming and yelling to get them up for the game. They need to know there is somebody supporting the team. This year there was loads of spirit for the Indians. At the games the stands were jammed with students and parents. At many of the away games Gar-Field's stands were more crowded than the home team's. That really shows how much the student body supported their team.

One of the Indians most faithful fans is Mr. Cox. He attended all of the football games. One could always find him among the hundreds of people in the stands. He is one fan whose spirit for the Gar-Field Indians has never died.

Freshman team on the way to another first down.

"Finest freshman football team Gar-Field has ever had." The above statement was made enthusiastically by Assistant Coach Bob Lookabill, and just as enthusiastically seconded by Head Coach Bob Moore. It seems their statements were definitely true, as the "little" Indians fielded a record of 6-2, and a record of 3-2 for the "B" team. "A" and "B" teams were necessary because of the large numbers of freshmen with a desire to play good football. The "A" team had a rock hard defense that allowed their opponents to score only an average of 4.2 points per game, while a pro-like offense scored 20.5 points per game.

The first year for a "B" team turned out very successfully. Never losing by more than seven points, and always winning by at least 8 points, the "B" team proved themselves well during the '73 season.

Spirited and aggressive, the JV Football team marched on to victory after victory. With a strong and quick team, Coach Steve Hurl was able to lead his team to an impressive 6-2 season. Although many of the teams Gar-Field played were physically bigger and stronger, the Indians were able to win because of their great spirit and hustle. With the touchdown pass combination of Bob De Long to Tommy Myers, the JV team was able to rake in the scores. Altogether this was one of the best and most spirited JV teams Gar-Field has seen for a long time.

"Get fired up", "You have to want to win", and "You have to have heart!" These were just some of the sayings that inspired the 1973 Varsity Football team. This year proved to be the greatest ever since the team moved into the Commonwealth AAA District. The G-F Indians demonstrated their skills and power as shown by the winning of their closing, as well as their opening game. Most important of all was when Gar-Field defeated their archrivals, the Woodbridge Vikings.

Three new coaches were added to the football staff for the 1973 season. They were: Head Coach Bob Pruitt, and assistant coaches Tony Williams, and Steve Herl. With the help of returning coaches Bob Greer, Clyde Washington, Mike Campbell, and James Artz, the backing of the spirited student body and cheerleaders, the team was able to achieve an important 5-5 season. The team was also helped by the managing of Merle Black and Sheryl Dille, the first girl managers for a football team at Gar-Field.

The J.V. Girl's Basketball team, needless to say, had the best season the fans could want. The team, under the expert direction of Coach Barbara Smith, dribbled and shot their way to a 9-0 season. Defeating Woodbridge decisively, the J.V. Girl's jumped into the County title. The team was aided with the excellent talent of Pat Murphy, Paula Girven, and Joy Rafetellis. Miss Smith feels that, "All the girl's were excellent players, and should be even better next year."

COUNTY, DISTRICT, AND SECTIONAL

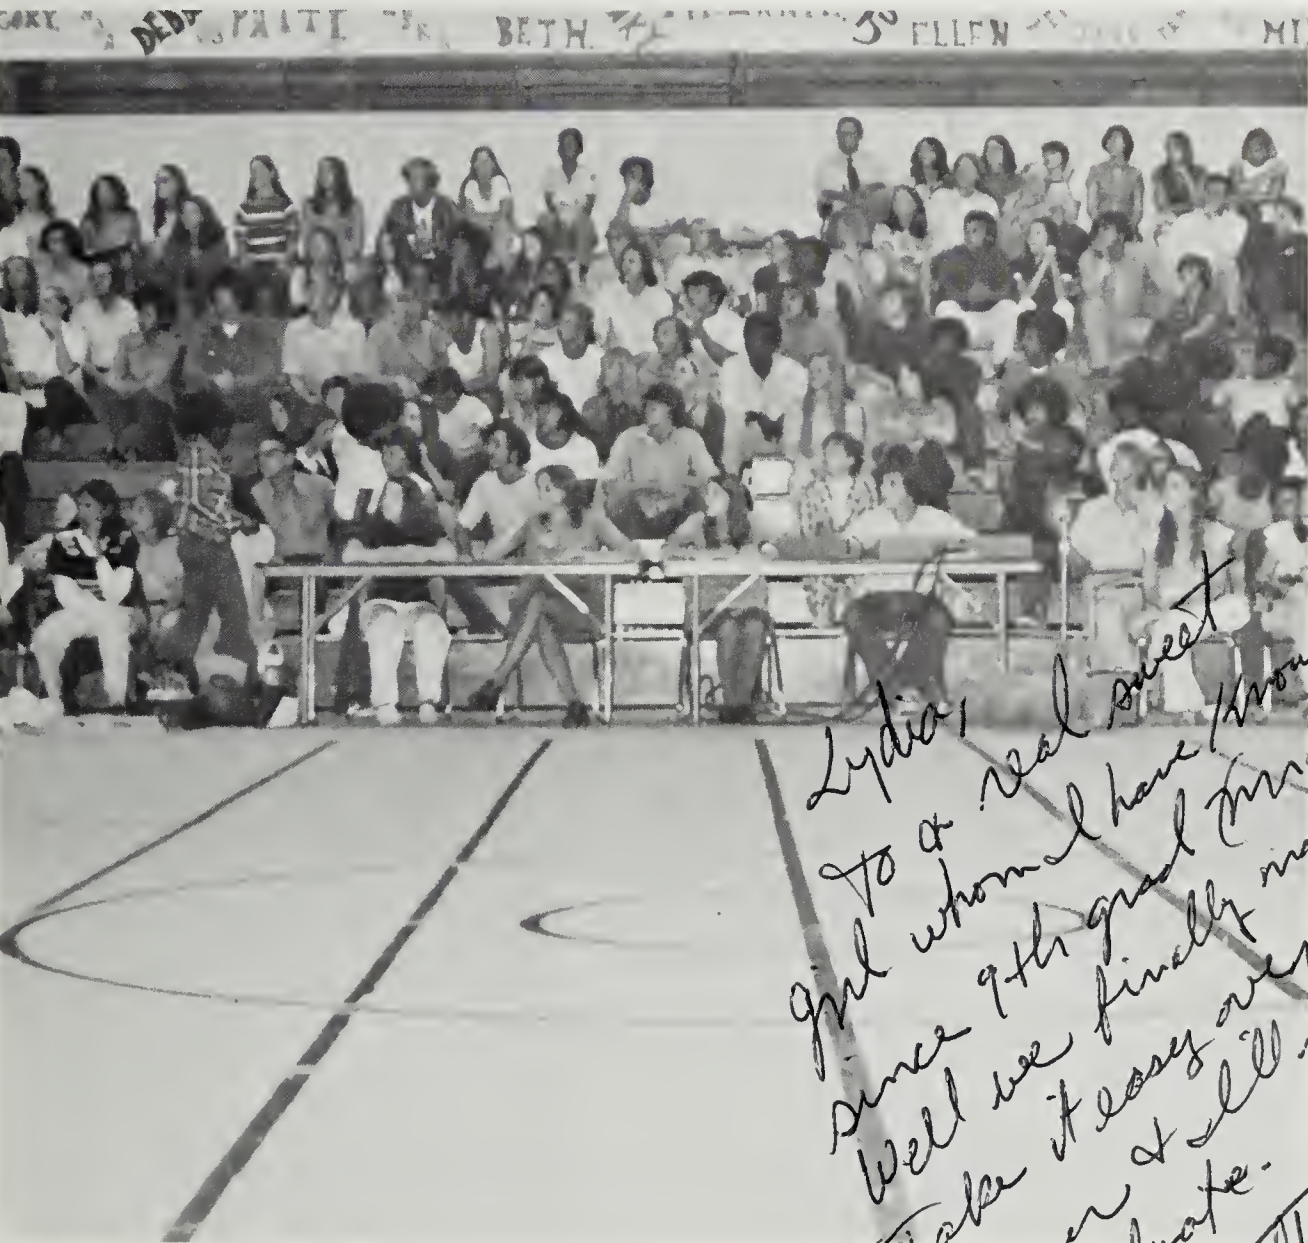

Donna Beazley goes for the jump ball.

Pam Ansink gets a boost from her teammates for a cut of the net.

When talking about Girl's Basketball, one just can't help but mention the Gar-Field team. With a lot of support and enthusiasm from many fans who attended the games Coach Lockett led her fired up Varsity team undefeated where ever they went. Winning ~~17~~ games and losing none ~~18~~ - 0 the team proved their skill. When the team needed the points they depended on Yvette Baggett and Joyce Gilbert to come through. When the ball or a foul shot was needed Donna Beazley or Pam Ansink would come to make it.

The team scored an average of 63.6 points a game and only allowed the opposing teams an average of 35.1. It seemed when the other team wanted to pass the ball or shoot there was always a G-F gal around.

The scorekeepers are a vital part of any game.

It's Academic 1973 Seth Brown Bryan Piertz Allen Weeks

Seth Brown, Bryan Piertz, and Allen Weeks represented G-F in the 1973 It's Academic show.

Gar-Field's **It's Academic** team was sent to WRC television studio on Saturday, September 29, for the taping of the show.

Representing G-F were Seth Brown, Brian Piertz, and Alan Weeks. They were all seniors. Mrs. Martin, an English teacher is the **It's Academic** sponsor. The cheerleaders, many students, and parents accompanied the team. They did a lot of yelling to show their support.

The schools Gar-Field competed against were St. John's Military Academy, and Magruder High School from Maryland. Gar-Field placed third with 123 points. Everyone agreed they had a good time and that it was an occasion to remember.

Gar-Field fans anxiously await the start of the show.

Fall Sports Awards

Cake and coke was enjoyed by all who attended the Awards Assembly.

On Wednesday, January 9, 1974, at 12:30 pm the Fall Sport Awards Assembly took place in the lower auditorium. It had previously been scheduled for December 16, 1973, but because of a heavy snow it was postponed.

The assembly was held during school time. The lower auditorium was completely full by 12:30 pm. Mr. Sherrill, the athletic director, started the assembly by speaking about all fall sports held at G-F this year. Gar-Field had two great girls basketball teams. Both teams went undefeated. Miss Smith presented the junior varsity awards and the varsity awards were presented by Mr. Sherrill because Mrs. Lockett wasn't able to be present. The most valuable player for the varsity team was Yvette Baggett and her sister Dee Dee Baggett received the J.V. most valuable player.

The cross country team was also at the assembly. Mr. Szymonski, the coach, passed out the certificates and letters. Walter Jachimowicz was the cross country most valuable player.

Next came the football awards. Things started out with the freshman awards. Mr. Moore presented the certificates, to the 59 members of the freshman team. The most valuable player for the freshman team was Craig Liedeel.

Mr. Williams and Mr. Herl then handed out the awards for the junior varsity team. Quarterback for the J.V. team, Bob DeLong was presented the most valuable player trophy.

Last but not least the varsity football team received their certificates, letters, and bars. The most valuable offensive player of the 1973 season was Dexter Green, running back. Don Sears, line-backer, was picked as the most valuable defensive player. The most valuable player of the Gar-Field Indians was tackle, Woody Bergeria.

As soon as all awards were given out everyone went to the lower cafeteria for cake and cokes. The cake was donated by the Booster Club. It was a memorable happening for all the athletes involved.

"No Time For Sergeants" A Great Success

Will tries to get Ben to read a magazine to calm his nerves

This year the drama club has put a lot of effort into all the things they've done especially their play. Miss Poin-dexter is no longer the sponsor. It is now sponsored by Mrs. Washburn, an English teacher. She is really involved with the activities of the drama club and enjoys every minute of it.

This year the play put on by the mem-bers of the drama club was "No Time For Sergeants" by Ira Levin. It was produced and directed by Mrs. Washburn. Held in the auditorium on November 30 and De-cember 1 at 8 o'clock the two act play about a poor hillbilly boy who was drafted into the Army was put on. The boy was Will Stockdale played by Gary Palmer.

The audience gave the cast a stand-ing ovation. Gary Palmer then presented Mrs. Washburn with a bouquet of red roses. It was a touching scene for every-one. The play turned out to be quite a big success for the drama club. It was also enjoyable for all those who attended the play.

Will Stockdale solemnly shakes the hand of Sergeant King.

Gar-Field's Many Bands

Paul Messplay is ready for the All Regional Concert.

Many hours of practice for the marching band are spent out on the parking lot.

Gar-Field has four different bands. They are the marching band, symphonic band, concert band, and beginning band.

The marching band attends all the football games. At home they perform the pre-game and halftime shows. They also participate in marching competitions in various places throughout the state. It doesn't matter where the Gar-Field Senior High School Band travels their performances are always fine ones.

The symphonic band mainly consists of members of the marching band. They perform after the season for marching band has ended. A Christmas concert and spring concert are given by the symphonic band.

The concert band is made up of students who aren't quite ready for the symphonic band but are exceptionally good band students. The concert band also presents a Christmas concert and spring concert.

The name speaks for itself in the beginning band. This band is for students just starting out in their musical careers. They practice hard so that in the rest of their high school years they can make it to the top.

Christmas concerts were planned by the different bands but were cancelled because of snow. It snowed on the day of the concert. All the bands at Gar-Field are under the direction of Mr. Jones.

Members of the All Regional Band from Gar-Field.

The Choirs At Gar-Field

The Gar-Field Senior High School Concert Choir.

The Madison College Choir was hosted by the G-F Concert Choir.

The Concert Choir and Ensemble are two organizations at Gar-Field of which everyone is quite proud. They are under the direction of Mr. Council.

This year they hosted the Madison College Choir on November 6th, 1973, at 6:30 pm, in the Gar-Field auditorium. Each member of the Concert Choir had one or two members of the Madison choir stay at their homes.

The concert Choir and Ensemble gave a wonderful Christmas concert on December 12th, 1973. They performed traditional and not so traditional Christmas music.

Members of the Concert Choir try out for the district and regional choirs. After the tryouts the members put in many hours of practice and finally have a concert.

The vocalists at Gar-Field are exceptional therefore they are able to put on exceptional concerts. Attending the concerts of the Gar-Field Senior High School Concert Choir and Ensemble is a pleasant way to spend an evening.

Lydia, I'm very
glad to have gotten to

Natalie Parks and Connie Cox perform an African dance.

The Junior Variety Show is one of the ways the juniors earn money for the Junior-Senior Prom which is held in the spring of each year.

A lot of preparation goes into the show. Everyone involved has a lot of work to do. The first thing to be done is the planning. A junior class meeting is held and during this meeting dates are set for tryouts and the theme is decided upon. This year the theme was "I'd Like To Teach The World To Sing." After tryouts the real work begins. There are many hours of practicing. All the participants do the best they can to perfect their acts so that they have a chance to place in the competition. January 26, 1974 at 7:30 p.m. things got underway. There was a lot of tension but everything went smoothly. At the end of the show the winners were announced. First place was taken by John Killrakis with a magic act. Natalie Parks and Connie Cox took second with an African dance. "Me and Bobby McGee" was sung by Jo Ann Curcio who obtained third place.

Many people attended the Junior Variety Show and all seemed to have an enjoyable time. It turned out to be quite a successful evening for the "Class of '75."

Carlos Ferran and Phyllis Painer help m.c. the show.

Stacie Cronin adds her voice to the show singing, "On A Clear Day" and "Make Your Own Kind Of Music."

Mystery Man Still a Mystery

Have you ever wondered who the "Mystery Man" is or even if he did exist? The answer to the last part of this question is yes. Since Gar-Field Senior High School is so large it became necessary to have a live-in security guard. His name is Jack Parker and is Dean Parker's brother. Mr. J. Parker lives in a one bedroom apartment in G-F. Included with this is a kitchen, living room and bath. Mr. J. Parker is married, has one dog and no children. His wife's name is Carol and

she works at the Bank of Virginia in Alexandria. Tigger is the name of his six month old German Shepherd which makes the rounds with him at night. Mr. Parker is a P.E. teacher at Parkside Junior High School in Manassas where he also coaches football and wrestling. He leaves for work every morning at about 7:40. Some of his duties at G-F are to make sure the doors are locked at night, check the lights and heat, and if there are to be

meetings or other activities during the weekend he must make sure that the proper doors are unlocked and the alarm system is turned off. Mr. Parker is paid a small salary to live at Gar-Field, but in turn he has to pay rent to the county. He enjoys his job as security guard and likes to remain anonymous or unknown so that he may walk around the school at his own free will and not be recognized or singled out.

Lunch breaks are also used as social breaks.

Cafeteria Improves But Prices Rise

Lunch money is collected by Mr. Shutt.

Gar-Field's cafeterias improved greatly compared to previous years. They were well equipped with new and modern facilities for feeding the large student body. Meals were prepared quicker to meet the needs of the students. The atmosphere was pleasant and made lunch an enjoyable break from classes. There were three serving lines for hot lunches, two downstairs and one upstairs. An addition this year to the cafeteria operation was an "a la carte line", upstairs where students could buy milk, cookies, potato chips and other inexpensive snacks.

Along with the rising prices in our country, our school lunches went up also. This year our lunches were 50¢ as opposed to last years 40¢. At one time this year, milk was raised to 10¢ excluding a lunch, however, after many complaints the price went back down to 5¢. The ice cream sales were also affected by the price increase going from last years 10¢ to this years 15¢.

The cafeteria situation went rather well this year, however, more improvements are planned.

Pollution is a very big problem in the world today and it is evident around the Woodbridge area. All one has to do is drive down any street to see the problem. This is land pollution. One street in Woodbridge where pollution is especially noticeable is Rt. 1. There is trash all over. Many of the businesses, especially gas stations, are not being kept up. Grass is not being mowed and other little things that add up are not being taken care of. The shoulders of Blackburn Road and Minnieville Road are covered with trash, beer cans, coke cans, and other polluting objects.

There is also an air pollution problem in Woodbridge. There are so many cars commuting out in the morning and commuting in at night and students are driving to school. Our air is a very precious thing but it's being ruined.

Gar-Field Senior High School also has a pollution problem. Outside the school especially in the bus arcade, there is loads of trash. The inside of the school is in bad shape too. The student commons area is always covered with cigarette butts, empty cigarette packs, ice cream wrappers, milk cartons, and much more. The cafeteria is also struck with a pollution problem. The tables are often covered with empty lunch trays and milk cartons. Unsightly trash is constantly being strewn about the halls.

People Start Pollution. People Can Stop It.

Pollution is evident in the bag—beer cans.

Pollution Around The Woodbridge Area

A beer can is one of many pollution objects seen frequently.

A very sad thing to look at.

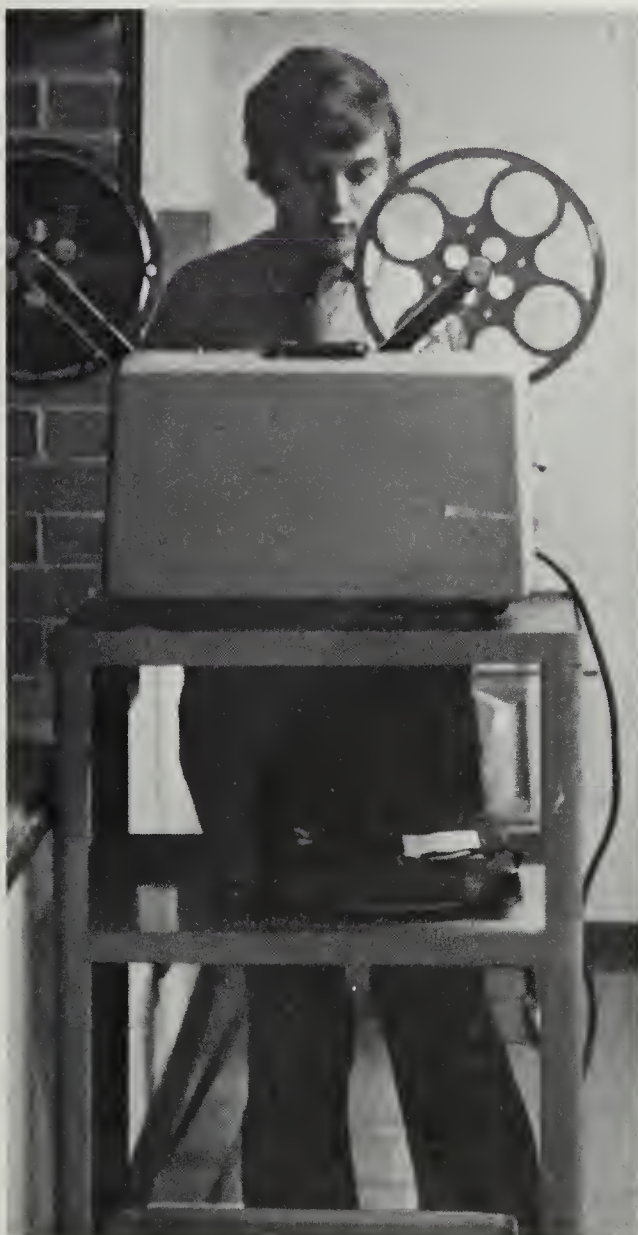

Some students prefer eating lunch to seeing movies.

Standing room only is a common sight.

Lunch Now Includes Free Movies

Mr. Perhach sets up movie.

If a visitor had entered this school during the lunch breaks early in January, he might have been amazed, shocked, or puzzled to say the least. Why? Wouldn't you wonder if you walked into a senior high school where the administration was featuring major Walt Disney motion pictures? Stars including Mickey Mouse, Donald Duck, Pluto, and all their friends flashed across the screen of Lecture Room #2, entertaining some, while simply being nostalgic to others. It wasn't that G-F students were regressing, and no, the athletic stars of football, basketball, and wrestling aren't suffering brain damage due to a blow to the head. These movies were just a few of many planned for the lunch breaks and are among a number of other activities which, if approved by the students through various polls and independent comments, will be conducted, free of charge, for the student body. The purpose is mainly to

occupy the students' minds with something. Many people no longer roam the halls restless. On the most part these activities are going well but only time can tell just how successful this project will be. Various projects have been suggested, projects that may be both entertaining and educational. Life styles may be studied through suggested fashion shows depicting the 50's and 60's. Old fashioned "soc hops", a favorite of the time, complete with a juke box and bobby sox, was also suggested and surprisingly enough the students are enthusiastic about the idea. There has also been talk of concerts. When asked Dr. Grant, organizer of the After Lunch Activity Program, he merely commented, "... once the program gets under way, we may get a little combo thing going and later on we'll bring in some more music." Dr. Grant has high hopes in the program.

On Saturday, January 19, 1974 the Gar-Field Senior High School Community Seminar was held in the upper cafeteria. It started at 9:30 a.m. and ended at approximately 2:30 p.m. There was a "pot-luck" lunch to go along with the seminar. Each person or family was asked to bring either a main dish or dessert. A beverage was provided.

Dr. Snyder from the Prince William County School Board was the speaker. The purpose of the seminar was to bring out and discuss the problems and short comings at Gar-Field. Parents, students, and teachers attended the seminar. This program provided them with information on the problems with the school as the community views them. The seminar turned out to be a very interesting and learning experience.

Everyone waits patiently for things to get underway.

New Teachers

L-R: Simone Walus, Bonnie Greeson, Edith Thurman, Ruth Lease, Ed Johnson, Diane Kastelic.

One of the joys of returning to school in the fall is seeing familiar faces, students and teachers alike. For those who do not find this a joy, maybe you will find the break of seeing new faces a joyous one. This year, G-F not only saw the retirement of one of its long time veterans Mrs. Parr, and the loss of another long time veteran Mr. Barnette, but also a wave of new faces. Mid term brought a number of student teachers to the classrooms.

From the P.E. department, Miss Wallace is a new face, and an old G-F graduate, Bill Brown, a senior at George Mason, has returned as a student teacher. Another George Mason senior, Larry Swanson, will be helping out in April.

The English department took on a staff of five new teachers; Mrs. Pulsifer, Mrs. Washburn, Mrs. Thurmand, Mrs. Hamachi, and Mr. Sauver. Lynn Miller, hailing from Ohio, was the only student teacher.

Linda Murry, new to the Foreign Language department teaches Spanish as does Sall Cohn who comes to us from Stonewall Jackson.

Mrs. Greeson, Miss Vuke, and Mr. Wheeler are new to the staff in the Science department. From VPI comes John Hawes and Mrs. Joan Macomber as student teachers.

A number of replacements or fill-ins were seen in the History department. Mr. Larson, who is working on the 45/15 school plan, is replaced by Mrs. Kastelic. Mr. Barnette, who is replaced by Mrs. Becky Nunnaly. Both are teaching American History and have found the atmosphere of G-F to their liking. Ed Johnson joined the staff as a World History teacher.

Two seniors from Virginia Tech, Miss Terri Simpson and David Lewicki, are the student teachers in the Math department.

Ms. Mary Ann Rose and Mrs. Manderville are the new teachers in the General Business department.

School is a little more bearable with new faces around.

Friends congratulate Dawn.

Mr. Parker crowns Valentine Queen.

Dawn Curtis Crowned Valentine Queen

This year a Valentine Queen contest was sponsored by the Indian Echoes. This was a new happening for Gar-Field.

Approximately ten girls from each sub-school were nominated at the February sub-school assemblies. These girls received votes by collecting money. Each penny counted as one vote. The election of the queen ran from February 6th through the 15th. All the money was a profit for the Indian Echoes.

On Saturday, February 16th, during the halftime of the Gar-Field vs Woodbridge basketball game the queen was announced. Editors of the Indian Echoes, Lisa Ponstingel and Co Hilker, made the presentation. Second runner up was Lisa Neal. Maureen Riley was first runner up. Mr. Parker crowned the 1974 Gar-Field Senior High School Valentine Queen, Dawn Curtis.

There were tears amongst the winners. Each princess received pink carnations and one red rose and the queen received six red roses. It turned out to be a very happy occasion.

Dawn Curtis is shocked when it is announced that she is the Valentine Queen.

Debbie Apperson and Linda Holbrook are dressed for the fifties.

Each year fads and fashion are a big thing at Gar-Field. They come and go.

Bow ties were a big thing among the guys and sweater vests were noticeable everywhere. Cuffed pants are really in for guys and girls. Long hair for the guys is going out and more of them are getting their hair styled. Around school you will find more girls with shorter hair too. Saddle shoes are found on guys and girls alike. High waisted pants are also seen quite often around G-F. Sweater sets have become very popular among the girls. Blazers of solids and plaids are really a big thing too. And last but not least "Levi's" of all kinds, styles, and colors are found on guys and girls.

This year fashions also took a big step backwards. It was plastered on bulletin boards, water fountains, walls, and also announced over the intercom.

The 50's came back to Gar-Field on February 28th. It was sponsored by the Fashion Merchandising class in honor of Mr. Cox.

The guys slicked back their D.A.'s, girls donned their bobby socks and pony tails. Teachers as well as students joined in on the fun.

There were prizes for the best dressed guy, girl, and teacher. The best dressed guy was Mike Embrey. Debbie Tuell was the best dressed girl and Miss Vuke from the science department, won the best dressed teacher.

Racing hats were a passing fad.

Drapes are traditionally worn for senior portraits.

Letter jackets are still a big thing.

Cathy Aldrich takes the minutes at a meeting.

Members of the SGC selling tickets to the G-F Trotters basketball game.

Aside from the expected activities such as the issuing of student I.D.'s, lockers, and meetings performed every year by the Student Government, the SGC went on an all out money raising campaign in order to purchase a Cigar Store Indian to display proudly in the main lobby.

With the help of interested, school spirited students, the SGC basketball team was formed. A group of ten girls volunteered to be cheerleaders for the team and before long most of the rough edges were smoothed out. The G-F Trotters weren't as "fancy footed" or as skilled as the well known Harlem Globe Trotters, but they tried and came close. At any rate, the goal was to raise the money and after two games there was enough to look at a possible candidate — and all involved had fun in the process.

A lot of time and effort went into this project, not only by its organizers, but also by the team members, its cheerleaders, and even members of the faculty. Special interest at the meetings was greatly appreciated for that was where the original idea to purchase the Indian was born.

Some may ask, "but why a Cigar Store Indian?" The answer is a simple one. G-F needed a little more pride and distinction, something original, and profound enough to make people stop and take notice. Students were enthused and some felt that our "mascot" would take stand as our school spirits' focal point. As the years roll on, G-F students graduate, go their ways, and their time here fades. Their cheers and chants aren't heard in the halls, sounded at pep rallies, and displayed at games, but their spirit **can be remembered** and **respected** by the future students and even outsiders by such a display of unity and pride by purchasing the Indian. With the new Woodbridge High identical to that of Gar-Field, others need to see and will remember distinction — besides who ever heard of a "Cigar Store Viking?"

Preparation was also made to familiarize the student body with COMSTAC. At the January meeting the SGC's Senate nominated students as possible members for the COMSTAC committee. These names were given to Mr. Cox for final approval. The committee is now in action

helping to, perhaps, ease some tensions that may exist between students and teachers.

The Cafeteria committee fell through a short time ago, but at least some action was taken towards the tray situation. On a temporary basis volunteer monitors remind people to return their trays or pick them up themselves. Mr. Cox is testing student reaction. A tentative plan to appoint monitors from 3rd or 4th periods for one to two weeks at a time is seen for the near future.

Our long awaited "Clean-up G-F" committee has been approved in the form of a group of volunteers, headed by the building and grounds committee. One Saturday every month a group of students as described above will meet at the school, clean mirrors, scrub walls, and in general, try to improve the condition of our school. Since our move to the new school students have awaited such an organization. Now the students have the opportunity to show school spirit in ways other than clapping and screaming.

TURNOUT AT GAR-FIELD

A handoff can make or break a race

It seems that this year Indoor Track is more popular than ever with Indian runners. Over the last few years, Coaches Mike Campbell and Ann Lockett have been building great outdoor track teams, and the enthusiasm now carries the runners through the summer and fall, and into the winter-indoor track season.

The girl's team was equipped with much the same talent as the 1973 outdoor team, with few exceptions. Few meets could be scheduled for the girls, but in competition against some Washington track clubs, our girls did well.

Although the indoor boy's team lost many of its previous runners, the guys were well equipped enough to take second in District, second in Regionals, and for the first time went to state indoor competition.

Gar-Field takes the floor at a game.

One of the highlights of the 1973-74 sports season would have to be the Varsity Basketball Team. Our team pounded and thundered throughout the season, and amassed a formidable seventeen win, and only three losses record. Gar-Field's starting lineup shot and rebounded past many difficult district teams, and then because of their team spirit and talent, the Gar-Field Indians romped over

Lane, and won the Commonwealth District Basketball crown. The fans from Gar-Field went wild, then went even wilder with the anticipation of the regional tournament.

Many people happily journeyed to Lynchburg to see Gar-Field play Halifax, but they came away less happily. The Indians were unable to get the baskets or the rebounds, and Halifax pulled ahead

To a great lookin' girl like had the pleasure of knowing since Jr. High. Too bad we weren't as close as I would of liked, but that's the way it goes. Good luck in everything you do & maybe I'll see you over the summer.

Jimmy

Experience helped the Indians all through the season, as all five of the starting lineup had had previous varsity experience. Mr. Scoot, the head coach, became more comfortable in his position, and he also gained two assistants — Mr. Herl and Mr. French. Overall, the Gar-Field team represented an excellent cross section of basketball playing and coaching talent.

Once again, Gar-Field has come up with an outstanding JV basketball team. The Indians in 1973-74 recorded an astounding 19-1 win-loss record. With the help of outside shooting by Bob De Long and Wayne Folks, the Indian team bounded into first place in the district, and stayed there. Even though there is no district tournament for JV teams, our JV's were proud to be in first place, and to be proclaimed Commonwealth Champions.

The Gar-Field JV's, and their coach, Mr. Rick French, worked long and hard to achieve their excellent record, and they deserve much recognition for that fact.

"GIVE AND GO" OFFENSE IS SUCCESSFUL

With a record of 12-2 you can hardly say that the freshman basketball team was anything less than great. Aided much by their coach, Mr. Aaron Jordan, the frosh team used their "give and go" offense to round out their victories.

Coach Jordan stressed that "defense" was a big part of winning, but when the Indians obtained the ball, Mr. Jordan insisted that they play offense and not stall.

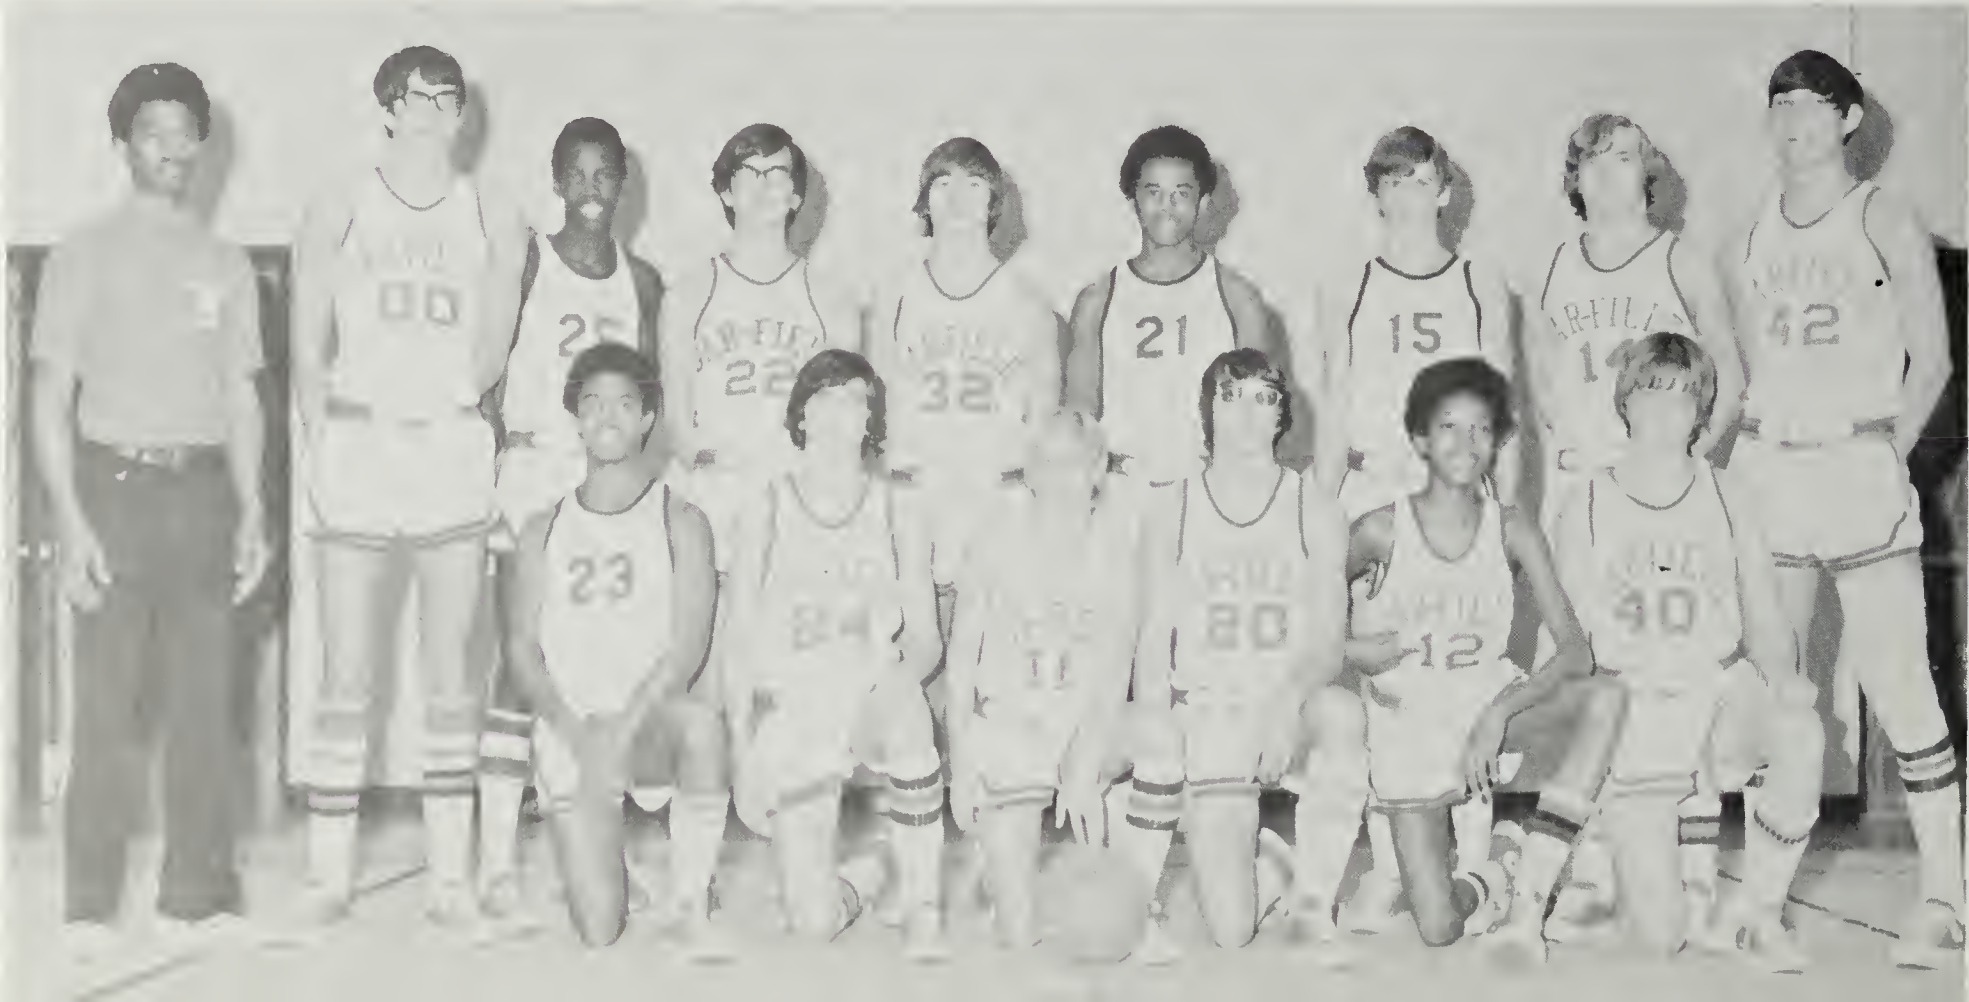

For the end of the season, Mr. Jordan says that "the only thing that surprises me about this team is that we lost the two we did". Even if the record was not perfect, it was close enough for the Gar-Field fans to be proud of their team.

FALSE FIRE ALARMS INVADE GAR-FIELD

A familiar scene of students going into the building after one of the false alarms

Students leaving the building, because of false fire alarms, became a frequent sight

Gar-Field was stricken with a serious case of "false fire alarms" this year. The epidemic spread quickly leaving mixed feelings behind. Before the plague met its end, it had taken its toll on every period. Even lunch and the before and after hours of school were afflicted.

Students and the administration alike dreaded the uncertainty and the anticipation of when it would strike next. Some tried to shrug the unknown off with a laugh, others were struck with hostile attitudes. Even a few were affected so badly that there were reports of students and teachers "hiding" in darkened rooms to avoid being turned out into the bitter cold. Such attempts were of course fruitless and mobs of puzzled people huddled in the cold of the day, except Mr. Larson, who found the heater in his "old clunker" to his liking.

False fire alarms cause a great inconvenience to the school, the county and surrounding counties. These "pranks" may mean that someone's house will burn to the ground, livestock and life "treasures" will be wasted and it could even mean death. Is that really worth a laugh or two with a few of your friends before you are carted off to jail? False alarms are punishable by law and just for the record every offender thus far, has been caught, arrested and punished to the fullest extent.

Varsity Cheerleaders waiting for the game to begin.

This year's Varsity Cheerleading Squad worked hard to spread spirit and a sense of unity throughout the school. Nine girls are selected for the Varsity Squad. This year's squad consisted of six seniors, two juniors, and one sophomore. They began practice in April, and during the summer they attended a Golden Eagle Cheerleading Camp. During each nightly evaluation they received a blue ribbon for superior performance and the spirit stick, which is only awarded to the most spirited squads. They also brought home a first runner-up trophy for the Golden Eagle Award which was given to the best all around squad out of the 78 that attended the camp. During the year the cheerleaders worked long and hard to support the Varsity teams. Their job is not only to cheer the teams on but to boost spirit and pep throughout the student body. They organized Spirit Week and prepared four pep rallies which were all met with high enthusiasm. The Varsity Cheerleaders certainly accomplished the goal of keeping spirit and enthusiasm alive at Gar-Field.

JV CHEERLEADERS A FINE PRECISION SQUAD

JV cheerleaders help cheer the team on.

This past year, as in years before, the Junior Varsity cheerleading squad did an excellent job cheering and raising spirit. Under the leadership of Diane Moshgat and Pat Nofsinger, the JV cheerleaders developed into a fine precision squad. This helped them at camp last summer where they were awarded with a first runner-up trophy for best cheering squad at the camp. Because of the new Freshman cheerleading squad, the JV girls had a lighter work load. This allowed them to work harder on their cheers, to do more posters, to show support for their teams, and to help raise school spirit.

This was the first year Gar-Field has had a Freshman cheerleading squad. With Freshman sports becoming so popular, it became necessary to also have Freshman cheerleaders. The squad consists of six vivacious, spirited Freshman girls. The Freshman squad attended cheerleading camp this summer with the Junior Varsity and Varsity squads. During evaluation, they were awarded a white ribbon for outstanding performance, a red ribbon for excellent performance, a blue ribbon for superior performance, and the spirit stick. The squad cheers for the freshman football, basketball, and wrestling teams. The freshman cheerleaders have succeeded in increasing freshman spirit and building interest in sports and various school activities.

GAR-FIELD GRAPPLERS WIN DISTRICT AND REGIONAL CHAMPIONSHIPS!

This year's Varsity wrestling team proved to be the finest Gar-Field has ever seen. Never before have the G-F grapplers accomplished so much. The team went undefeated throughout the season, including the district tournament, and the regional tournament. It was the third straight year that Gar-Field had won the Commonwealth District crown. The Indians then went on to win the Northwest Regional title, this for the first time. The excellent record of the team was achieved through pride, dedication, and constant teamwork. The grapplers were aided much by their own determination, but they also were helped much by the guidance of Coach Jack Duncan, and assistant Coach John Purnell. Coach Duncan reported that "In coaching you can teach techniques, moves, etc., but the success of a great wrestler lies in his heart." Mr. Duncan also felt that "the accomplishments couldn't have come about without the joint support of parents, coaches, cheerleaders, the student body, and the Indianettes."

The JV Wrestling team had an extremely successful season this year under the coaching of John Purnell. Throughout the season the JV and freshman teams worked out together.

Our JV team had a 10-1 record which they were very proud of. Team members also worked hard to sell the calendars which the wrestling teams put out annually. The wrestlers didn't do everything themselves. They are backed by many people including the Indianettes and of course our high-spirited fans who work just as hard cheering as the boys did wrestling.

Some of the acknowledging must also go the Freshman wrestling team for their terrific season. Although none of our freshman wrestled on varsity this year, their success as a freshman team was tremendous. The team has only been established for three years however, they worked hard for their 3-0 record. They were runners-up at the Winchester Invitational where they were only 1/2 pt. behind the winner. We must admit, that's great.

Ann Barkulos tries for a perfect vault

With six seasoned performers missing from their ranks, you might think it would be hard for the Gar-Field girl gymnasts to equal their performance in 1973, but the girls weren't even phased. They breezed through the season, winning all but one meet, then took the Prince William County championship, and second in the district meet.

These accomplishments were possible due to many things. One was the longer season. The girls could begin practice on November first instead of December first. Also, the fine coaching of Mrs. Carol Morehead helped spur the Indians on. Of course, if you add the hard work and dedication of the girls themselves, it can be counted as a major factor in their success.

Sub-School "G"

Quite a few changes have occurred in our school over last year. Much more emphasis was placed on the sub-school system this year. With a school the size of Gar-Field, it is difficult to offer students the help and guidance needed with just one principal, and a handful of guidance counselors. Records are hard to keep track of and personal attention cannot be given to students to the extent to which the sub-school "division" has provided. The sub-schools were named as follows G-F-H-S.

Subschool "G" is composed of business education courses and those courses which teach a trade or skill. The subjects included are Business Ed., Industrial Arts, I.C.T., Cosmetology, Masonry, L.P.N., Auto Mechanics, D.E., Home Ec., and Library.

All of the business courses have taken a turn. More is expected of the students now; the same things that will be expected on the job. Spelling tests and weekly brush ups on loose ends are all things which future employers may appreciate. Everyone has a chance for involvement in their club's activities; now club activities begin in the classroom.

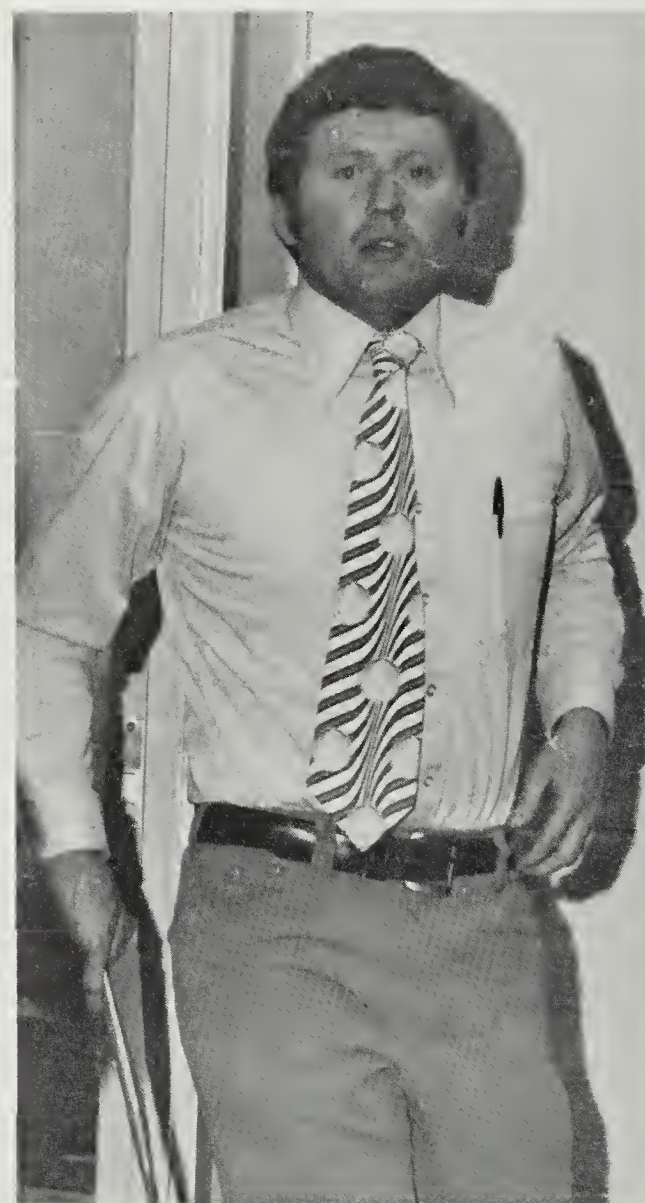

Learning to rebuild an engine is part of auto mechanics.

The media center has once again become a place to study.

Industrial art classes use the outdoors to improve their skills.

Sub-school "G's" principal is Mr. Clark.

Sub-School "F"

Not only do students learn math in the math pod, they also learn how to play cards.

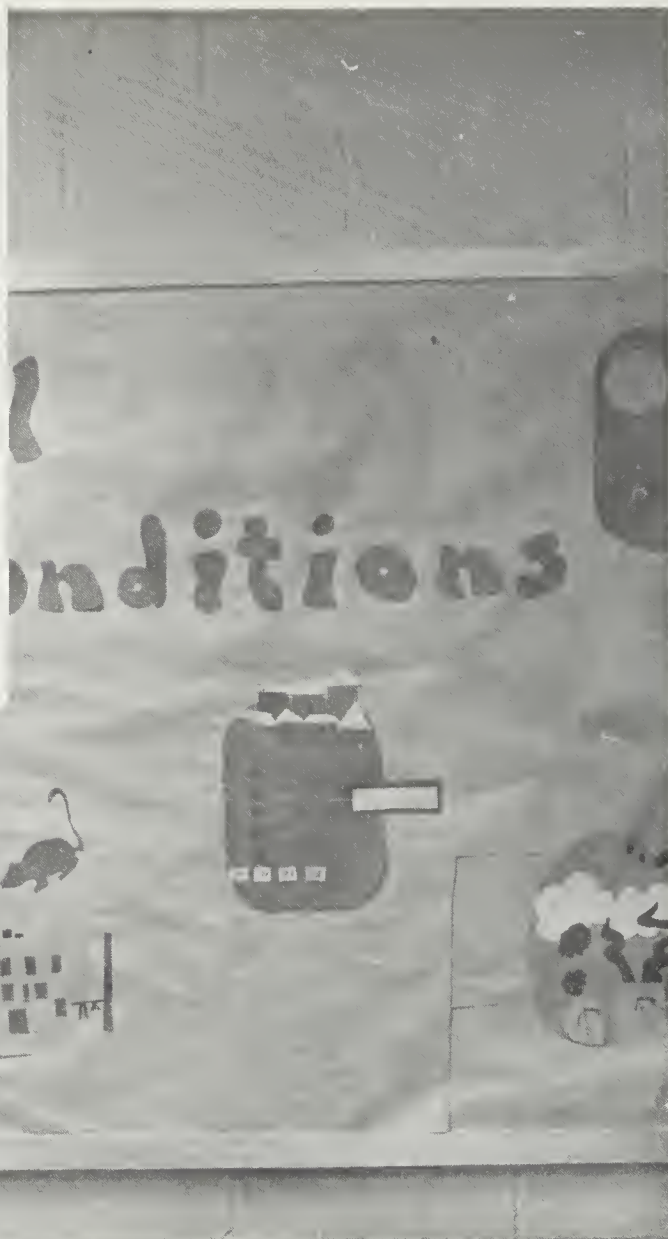

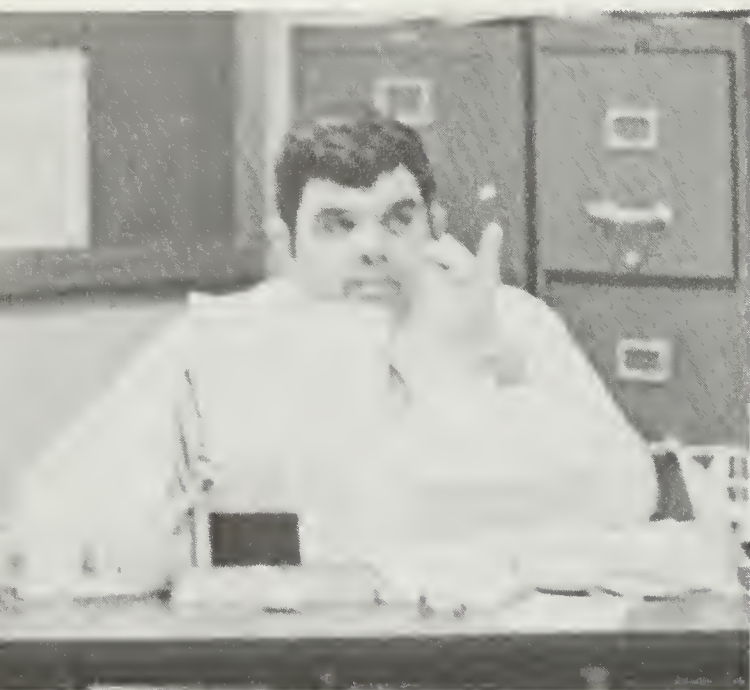

You can be in the English pod, but also out.

The English department is just one part of Mr. Parker's responsibilities.

Subschool "F" includes the academic courses — Math and English. Probably the most prominent change was from an almost completely independent study concept to a choice of a more traditionally taught one. Of course, the concepts and independent study courses still exist but students who found last year's concepts in Math difficult to learn, rest easy in a more traditional class. Different courses offered every nine weeks in English still have their advantages and disadvantages. Personal attention cannot be given to the student as much as in the past, because though the independent study courses a student may not have the same teacher twice, but in this way, variety is offered and interest isn't lost as easily. All the teachers seem inclined to believe that in giving a person more freedom and responsibility they are better prepared for life after high school. Most students agree.

Some of the problems Mr. Gerhard has to deal with concern the history department.

Orchestra students practice hard.

Subschool "H" is composed of the P.E., History, Music, Drivers Education, Art Department.

P.E. is still traditionally taught but with the inclusion of class changes every two weeks and different teachers. This was carried over from last year and has proved successful.

History follows the same concept as the P.E. department, with a little more independent studies. The history department firmly believes that lecturing and testing is soon forgotten and does little to benefit a student. Life outside of high school isn't composed of questions and answers from **The American Experience** text or any other for that matter. Life is really learning — there's no way to avoid it and the goal here is to teach one to learn and at the same time give one necessary background information and explanations.

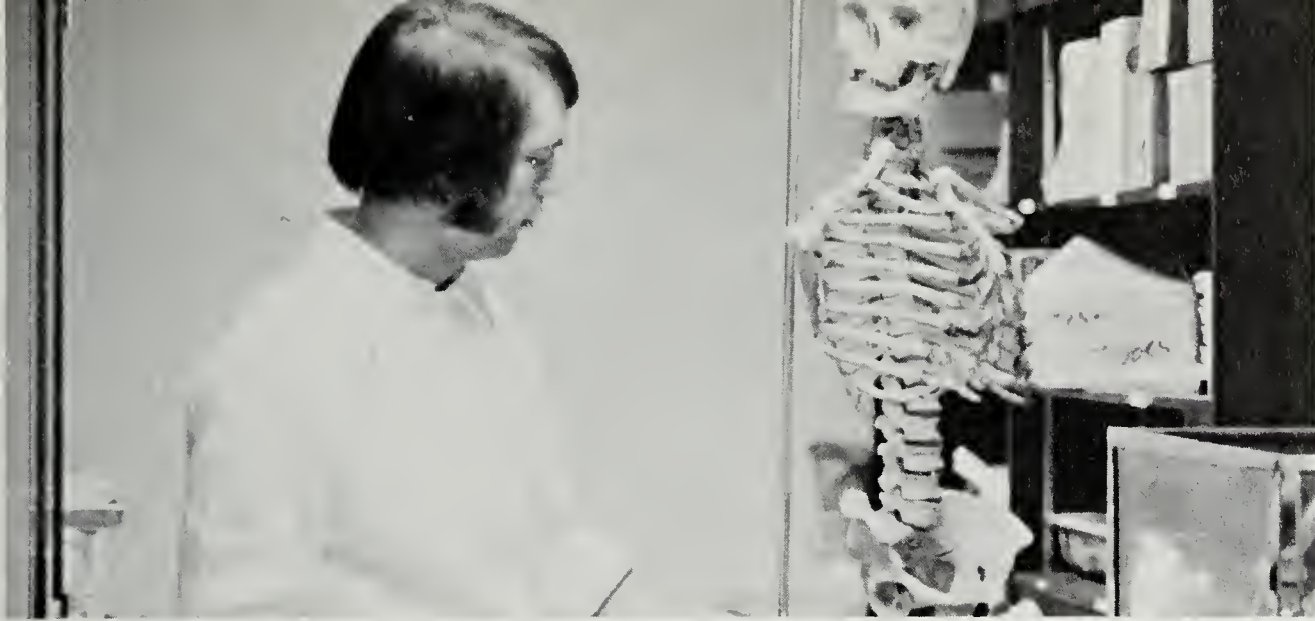

Music and Driver Education have seen few changes in the department aside from the new facilities provided for them. Both are traditionally taught, for "no one can learn to sing with quality or be a good driver on his own."

Art is the last course in this subschool, carrying their program over from last year. First year students learn the basics through a traditional class, the advanced students move on a little more independently.

Driving on the range is part of the new driver's education program.

Sub-School "H"

Always anxious to help the students, Mr. Wheeler lends a hand.

Miss Frazier teaching one of her German classes.

Mrs. Watts tries to explain French to her class.

Sub-School "S"

Subschool "S" includes Special Education, Guidance, Science, and Foreign Language.

The Foreign Language department is again trying their mini course offerings in the second semester preceded by a semester of basic teaching. As of now, this procedure will probably be carried into the future, for, tried last year, it proved successful.

The Science department has taken a giant step away from the original text (used now only for some background information), and has adopted the teaching of different concepts of science. This applies to the advanced levels of science. Students find this easier to understand and are pleased with this concept. Teachers also find this better than the one text teaching.

After 11 Years Mr. Cox Leaves G-F

Mr. Cox makes presentation to Don Sears.

Mr. Cox spends a lot of time in his office working to better G-F.

This year Mr. Cox made an announcement to the students, faculty, and administrators of Gar-Field that took everyone by surprise. He has decided to leave Gar-Field and has agreed to take another job with the Prince William County School Board.

Mr. Cox will help create a 'Task Force' which will involve students, teachers, and parents. It will mainly be an alternative program for secondary schools and eventually start in the middle schools. His job will be to work with students who do not attend class, those who are constantly in the office, dropouts, etc. He would also like to develop a program in or out of school where students take classes in auto mechanics, masonry, cosmetology, and other trade classes, but don't have to take english, history, math, and science. It will be much like a trade school.

Mr. Cox feels that he could do more for the students of Gar-Field by being a

part of this 'Task Force!' He has been a principal for twenty years. Eleven of those twenty years were spent at Gar-Field. He is looking for an opportunity to do something different.

Mr. Cox feels that Gar-Field has greatly improved over last year. He says he can leave at anytime and be confident that everything will be fine.

Mr. Cox believes the new principal should come with the understanding that he is principal and should rely on his (Mr. Cox's) past decisions. Mr. Cox feels strongly that students should have a say so in the school and should give full support to the staff and new principal.

Mr. Cox has done a lot of things for Gar-Field that won't ever be forgotten. He watched it grow and handled the problems that came along with growth. What is Gar-Field Senior High School going to be like without him?

As principal of Gar-Field, Mr. Cox holds many meetings in his office.

Mr. Barnette spends his spare time in the media center with Miss Poindexter.

Donna Cryan finds Mr. Barnette's affection amusing.

Ralph Leroy Barnette
February 29, 1912-March 25, 1974
When asking Mr. Greer about Mr. Barnette for yearbook, he broke loose with a hearty laugh, turned red and replied, "What can I say that the yearbook can print?"

Mr. Barnette came to Gar-Field in 1958. He primarily taught Social Studies; however, he also taught math a few years. With seventeen years at Gar-Field he went through a lot more than any high school student has. As his son said, "He devoted his life to children." Mr. Barnette's contributions to kids were immeasurable.

From 1958-1962 Mr. Barnette served as head coach for the 8th grade basketball team. He and his assistant coach, Tom Osbourne, had five straight undefeated seasons. Coaching isn't an easy task but Mr. Barnette loved it. There was no payment for any of his coaching, but that didn't stop him.

Mr. Barnette and Mr. Greer taught and coached together. They were like brothers and often called the "trouble-makers." Mr. Greer once said that Mr. Barnette had that something extra in getting along with players that made him a winner. Mr. Greer feels that any success he has in coaching can be traced to his association with Mr. Barnette.

From 1963-1965 Mr. Jim Raines was head coach for the JV basketball team while Mr. Barnette served as his assistant. Also during these three years, he was head coach for the JV football team. His team was unbelievable considering that the squad consisted of only twelve players. In 1963 they were undefeated playing all the teams including James Monroe who had sixty-five players on their team. The question arose in many peoples minds, "How does he do it?" The coaches he worked with, for, and against all admired him very much. Before coming to Gar-Field, Mr. Barnette even coached in West Virginia and Front Royal, Virginia.

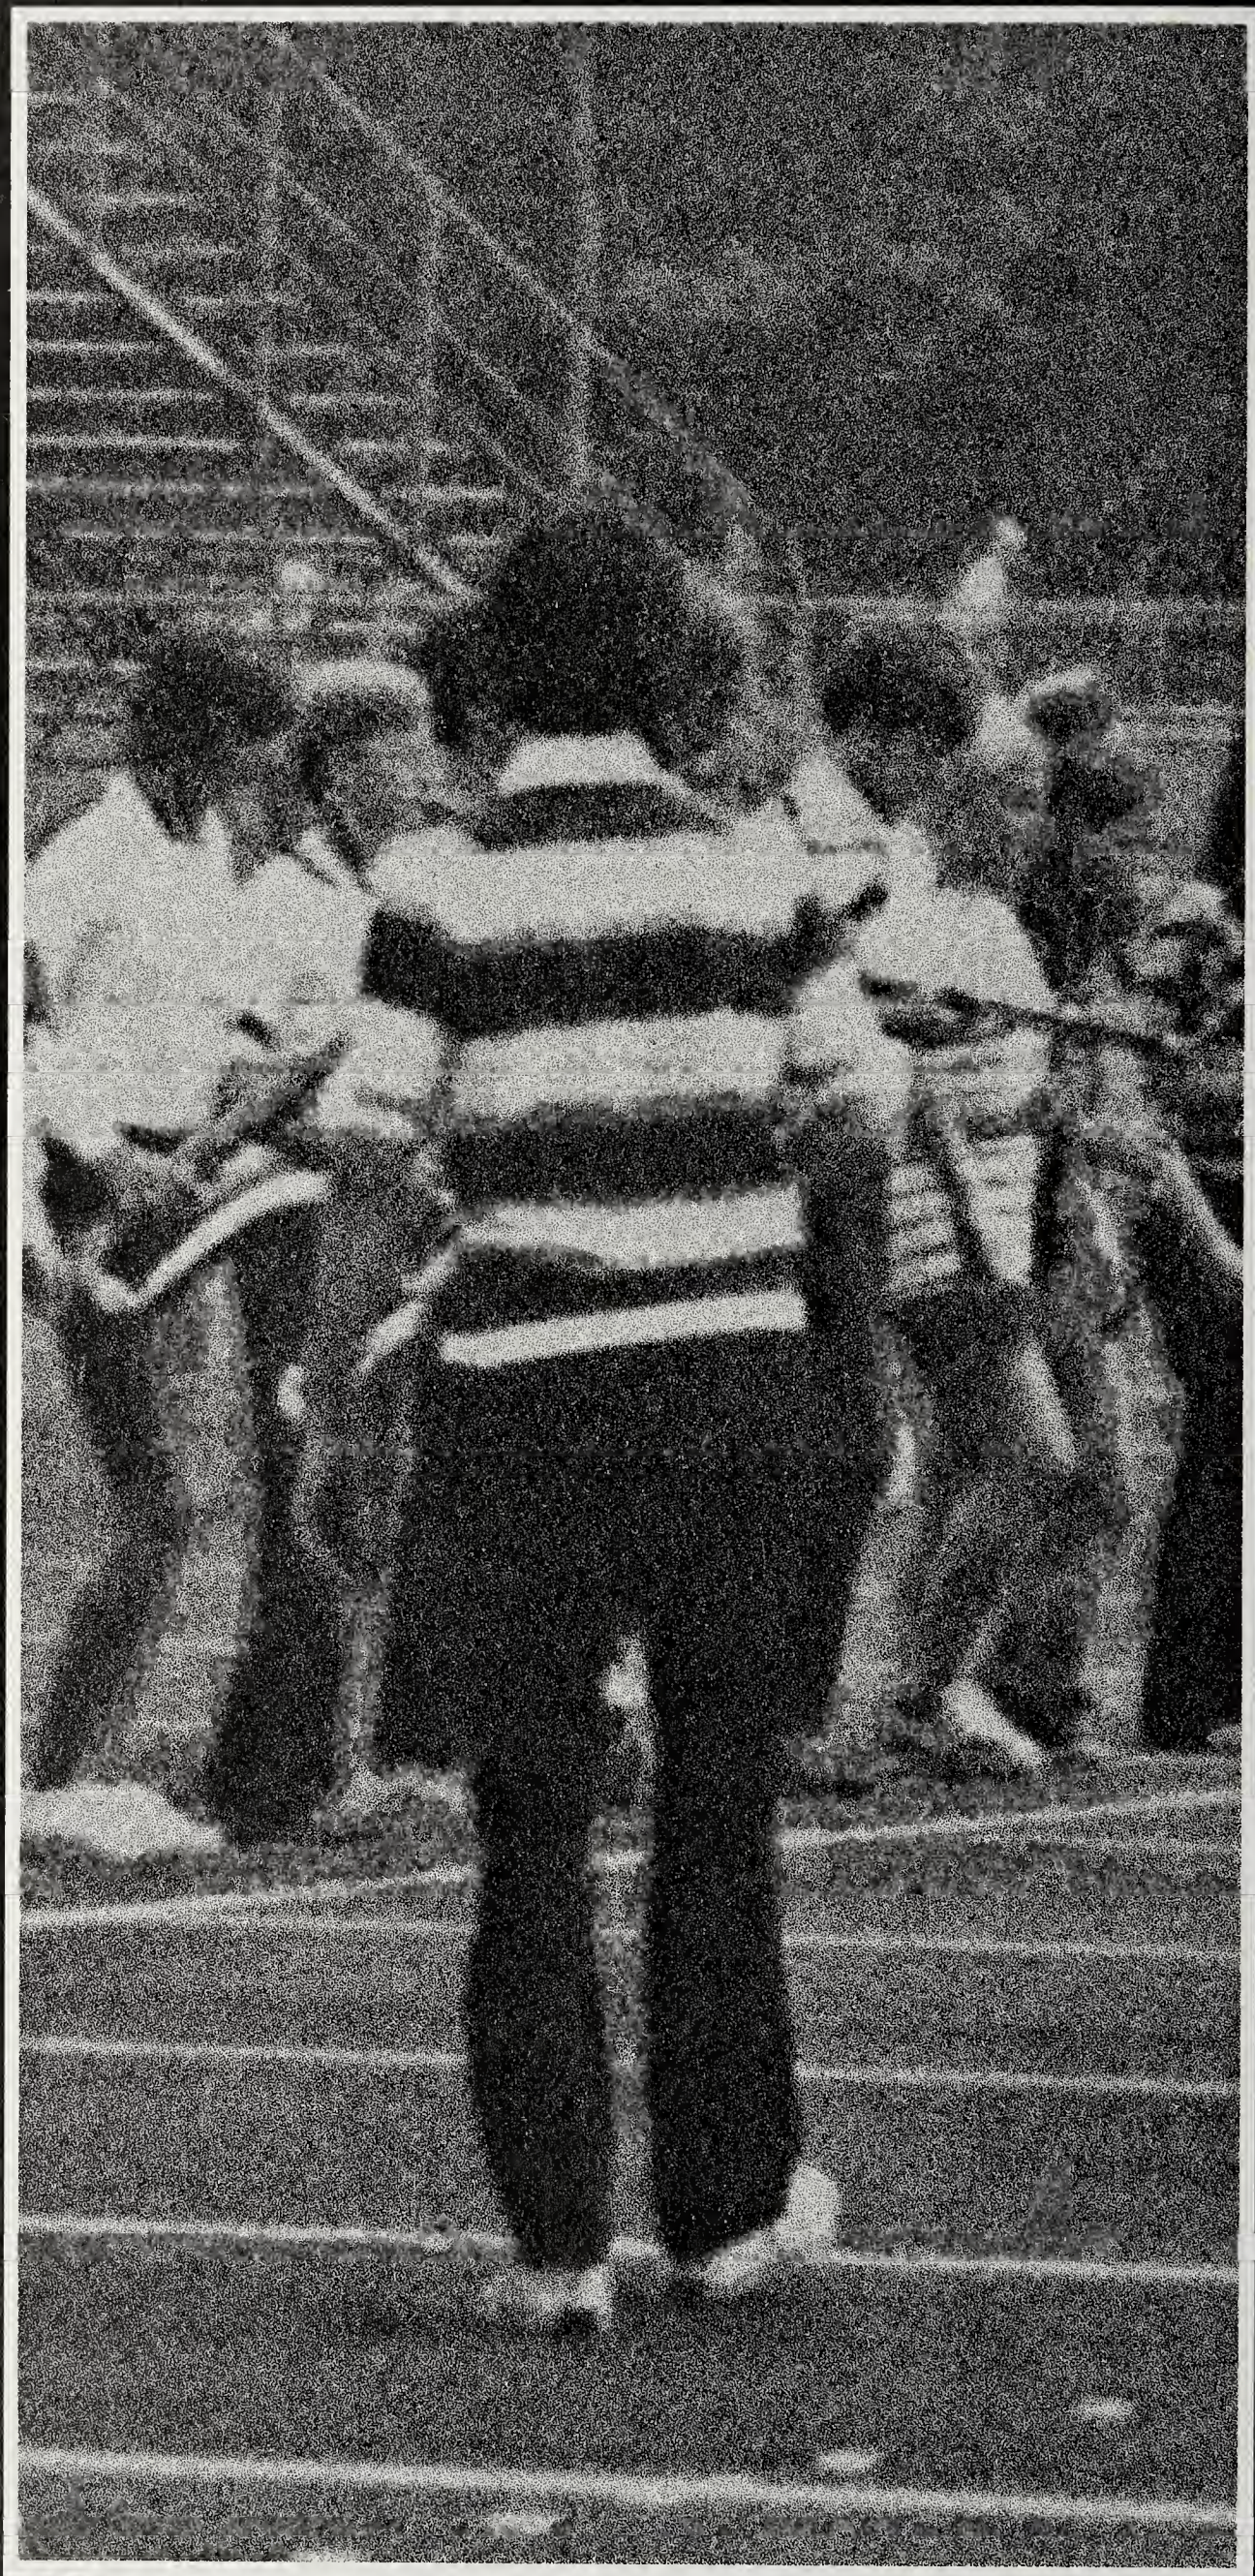

In his earlier years at Gar-Field, he worked in the book-room. This was indeed the place to go to catch up on all the latest gossip. Mr. Barnette was the one who started the night school program as well as teaching it. He also helped out with the home bound program.

Teaching he loved but he also loved playing poker with his good ole buddies. Mr. Barnette was a part of a poker team along with Mr. Jim Raines, Mr. Herb Saunders and Mr. Tom Beavers. They were known as "The Brotherhood". When they all got together, you had better watch out. They prayed for snow just so they could have snow days and play poker all day. They were certainly a wild bunch.

Mr. Barnette was a witness to many changes here; change in the school, the old Gar-Field, its additions, and the final move along with changes in students, attitudes, and styles. He is someone we all loved dearly and who we will never forget.

THE BUS DRIVERS AND BUILDING ENGINEERS

The bus drivers played an important part in the transportation of over half of the student body this past year. Driving a school bus is not as easy as it seems. Hours of schooling go into the forming of a good bus driver. The bus drivers are a little recognized, important part of Gar-Field High School.

Chances are you've heard the familiar announcement, "Mr. Fish to the office." If you've ever asked yourself who answered that call, here's your answer . . . Mr. Fish. He's our head building engineer and what a job he has. He's in charge of all of the building engineers which in essence means the whole school.

Mr. Fish

Lunch was prepared for a school body of approximately 3,000 by a team of 15 cafeteria workers. Some of the workers arrived at 6:30 A.M. and began preparation of the food. All food was cooked downstairs and then part was sent on an elevator to the upstairs cafeteria where it was placed in warming dishes and served.

An interview with Mary Oleson—Manager, and Polly Carney—Assistant Manager, provided the following information. There were three sections in the kitchens. They were, salad, cook, and bake divisions. Each worker was responsible for a certain task in one of these sections as well as working in the serving room or as cashiers.

A proper balanced diet is required of all schools. This consists of 2 oz. protein everyday, Vitamin C everyday, and Vitamin A twice a week. As well as planning the menu, the cafeteria workers made their own baked goods. Monday through Friday, after completing their jobs for the day, cafeteria workers got off work at 2:30 P.M.

The Student Government Cooperative this year started off with a bang. After issuing lockers, and struggling to get everyone their I.D. cards before Homecoming, the Grand Gala had arrived. Homecoming took on a different twist this year and proved to be a successful event. The dance was held in the ballroom of the Holiday Inn and was composed of a buffet-dinner-dance. It was the first time in the memory of Mr. Mattice in which all expenses broke even; and then came out ahead! After the initial shock of such a success, the SGC moved on to install pride and unity in the student body. The purchase of a Cigar Store Indian was at hand, an idea which, for the most part, the Student Body took to heart. The spirit of the school needed a focal point, and a Cigar Store Indian, displayed in the Lobby, was just the thing.

The SGC basketball team was formed for the purpose of raising money for the Gar-Field Indian's keepsake. Their first game was played against the Godwin Faculty. Other games were played against Fred Lynn and Graham Park schools.

As the song goes . . . "We've only just begun . . ."

Indian Scripts, the school newspaper, published twelve issues during the course of the past year. Hard work and diligence helped to form some of the most interesting articles ever written.

In an effort to raise money, they sold Gar-Field t-shirts throughout the year. Although the t-shirts sold rapidly, money was still needed, so they sponsored cap and gown portraits for the senior class.

Mr. Vestal, Gar-Field's representative from the Delmar Company, gave much help and endless patience to the '73-'74 staff including shooting organization pictures, struggling with the editors, and experienced advice.

The 1973-1974 Indian Echoes Staff consisted of eight juniors and eleven seniors, with only three returning staff members from the previous year. Having so many newcomers on the staff proved to be advantageous in presenting a unique yearbook.

To help become familiar with the makings of a good yearbook, five staff members and a sponsor attended a yearbook workshop held at Longwood College in Farmville, Virginia. During the four day stay at the college they attended sessions dealing with covers, themes, copy, photography, cropping techniques and the "do's and don'ts" of proper journalism. Although a lot of work was accomplished there was still time for fun including a mixer, a dance and plenty of free time. The Gar-Field Staff was known as the "wild ones".

The staff members who had attended the workshop shared all they learned with the rest of the staff. Throughout the year the staff somehow suffered through

underclassmen and senior pictures, delayed deadlines, complaints, multitudes of questions, and all the frustrations required for a good book.

The 1973-74 yearbook staff hopes that the student body finds themselves somewhere between the covers of the book.

Students handle all the technical aspects of the lights from programming to changing bulbs. In addition to working school shows, the crew was responsible for the lighting of community activities. With the aid of sponsors Mr. Johnson and Mr. Barrett, the lighting crew filled their responsibilities successfully.

The DECA Club was very active this school year. They started the year off with a generous helping hand. An organized group of DE students, called "Ask Me" helped the Freshmen find their way to their lockers and new classes. DE stu- dents proved their awareness of the Na- tural Environment with Campaign Clean- up. In this project the students cleaned

up Smoketown Road.

Helping others seemed to be one of the main goals of DECA. They collected \$764.87 worth of food coupons for Muriel Humphrey. In February, on Valentines Day, DECA students gave a party for the students of Muriel Humphrey. The DECA Club visited an Old Folks Home and brought a moment of happiness to many

forgotten people.

Aside from their other activities, the DECA club members competed against each other by participating in District, State, and National Leadership Confer- ences.

DECA students concluded the 1973- 1974 year the same way they started it, with a picnic.

Science students present Mr. and Miss Gar-Field of 1722.

The Science Club members were very active during the 1973-1974 school year with regular activities such as bake sales, car washes, and the Science Fair. On Wednesdays and Thursdays after school they sold doughnuts in the school snack bar. With the new ecology program this year, the Science Club members planted trees outside the school and participated in a Route 1 clean up.

The Latin Club encourages both cultural and social activities. The cultural activities include speakers and field trips in conjunction with classroom pursuits. The social activities include parties, picnics, and skating.

During the school year, Gar-Field's French Club went on many area field trips. Among these trips were several French restaurants and an exciting French movie. Aside from these activities, the French Club worked the school snack bar after school on Friday afternoons. This would aid them in their future plans.

The members of the 1973-1974 Gar-Field German Club are proud of their achievements this year. They have earned money through bake sales, car washes, and stationery sales. They attended the Convention of the National Federation of German Students at T. C. Williams High School in Alexandria, Virginia. They even hosted their parents at a "Kaffee Klatch," which was very exciting. They purchased german books for the school library and went on a camping trip visiting the Pennsylvania "Deutsch". They ended the year with a picnic.

The German Club was active this year and they really look forward to next year with a lot of anxiousness.

The G-F Club ran the Ice Cream sales for the office during the past school year. The club had candy sales to raise money for letter sweaters and gave a deserving Senior a scholarship to use toward college.

In the 1973-1974 school year the Girls Varsity Club worked at the girls basketball games and gymnastics meets selling refreshments. During the year they also operated the school store. Among their activities were selling reminder boards and providing a poor family with food and presents for Christmas.

There are three phases in the Gar-Field Choral Program. A singer's first year is usually spent in a mixed chorus which contains mostly freshmen. Only students with exceptional talent can skip this step. The next phase is the Concert Choir. Finally, after hard work and much practice, a singer can make it to Ensemble.

This year all of the choruses participated in the Christmas Concert, Festival, and Spring Concert. In addition, the Concert Choir hosted Madison College's concert choir and performed with them in a joint concert. They also performed in All-County and at Bacculaureate.

Ensemble made numerous appearances for the Christmas Concerts throughout the community including the Kiwanis Club and two appearances at St. Francis of Assisi Church. They even performed at a midnight mass.

There are many ways for a student to show off his talent outside of the school program. Through auditions they can go to Regional Chorus and All-Virginia Chorus.

The Gar-Field Choruses, Choir, and Ensemble have led a busy and prosperous year under Mr. James B. Council as director and Miss Norma G. Scripture as assistant director.

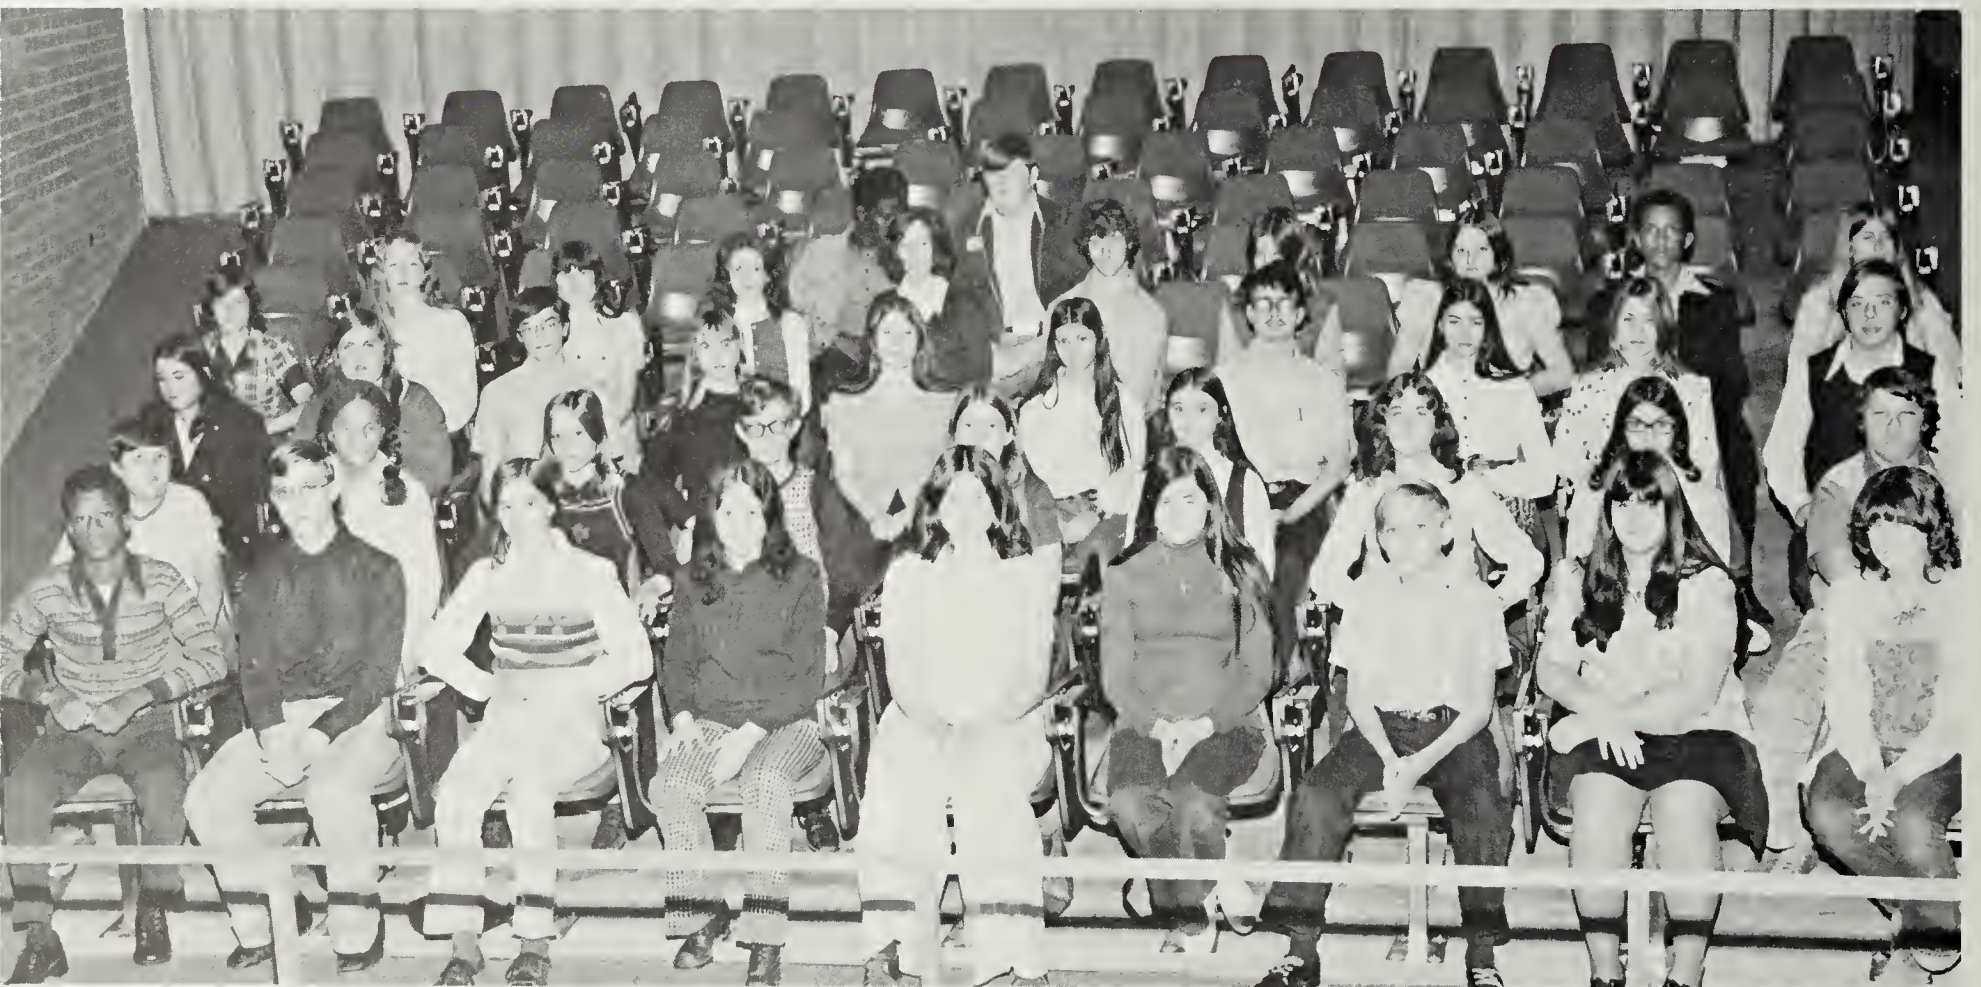

The Gar-Field Orchestra was currently in its third year of existence and had appeared in two District Festivals, numerous concerts, and the 1973 Jr. Miss Pageant. The string section met as a class during school and after school with wind, brass, and percussion players to create the full symphony orchestra sound under the direction of Cheryl Prince. At the 1972 District Festival, Gar-Field's Orchestra was one of only two orchestras to earn a superior rating from each of the three judges. Individual members were consistently capturing top honors in All-County, All-Regional Orchestra, and District Solo and Ensemble Festivals.

G-F's Key Club collected wood for the 1973 Homecoming Bonfire.

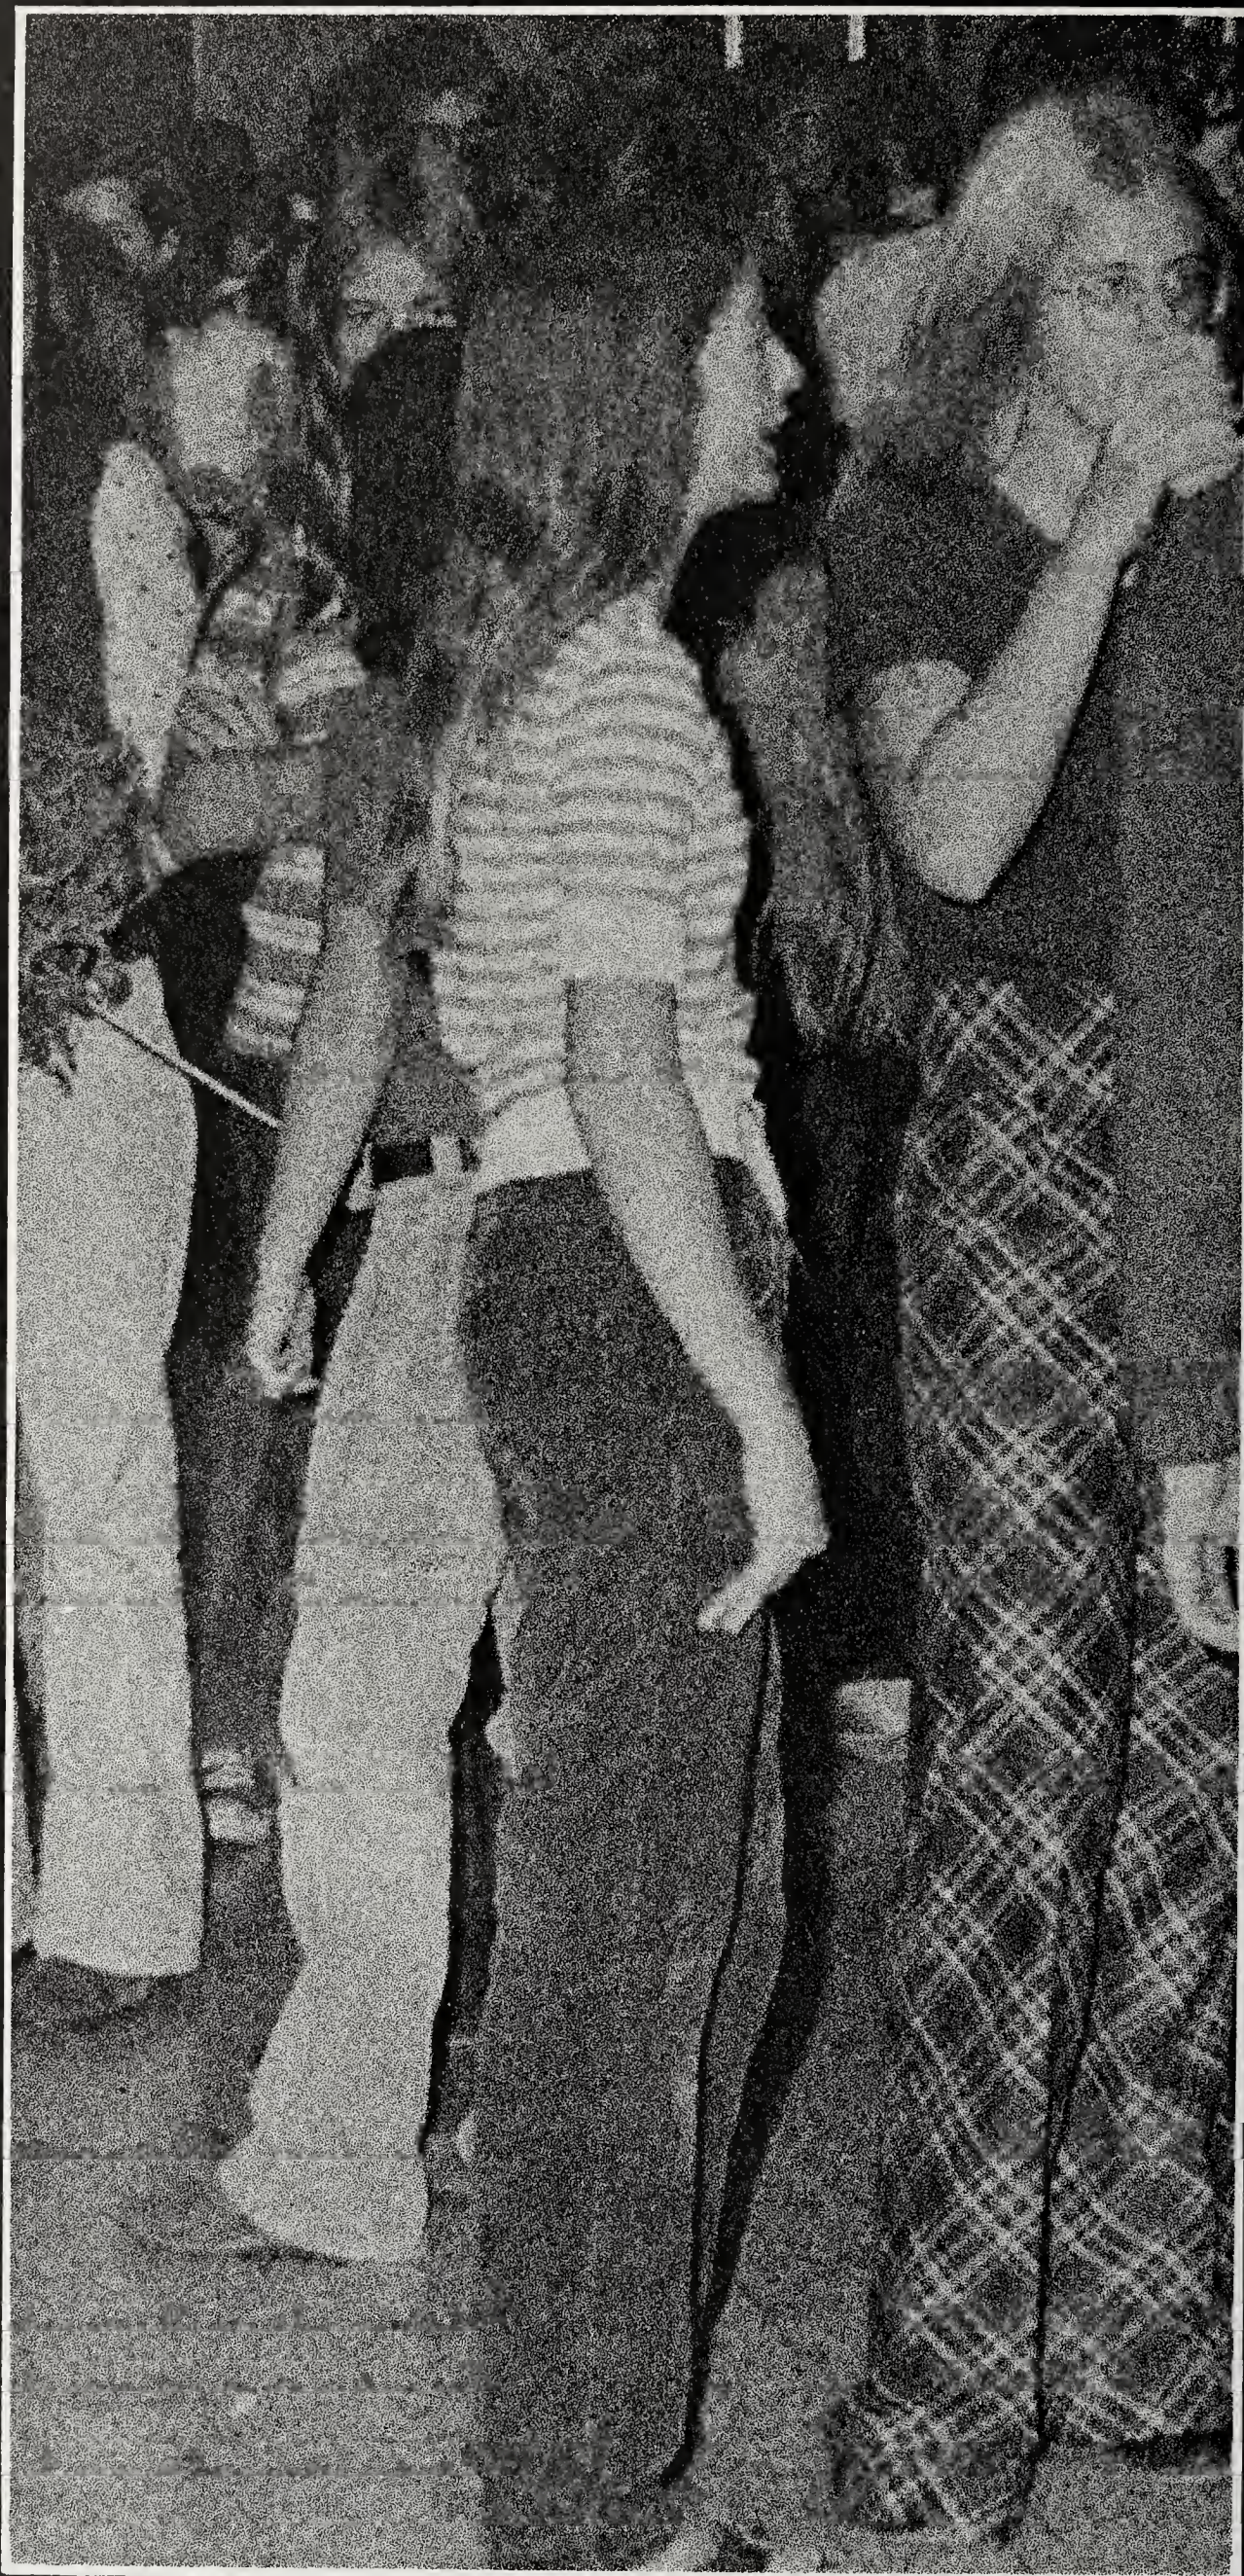

The Key Club at Gar-Field is a service oriented group designed to aid in the smoother functioning of the high school. Building the bonfire for homecoming, raising the flags every morning, operating the elevator for students who can't use the steps, and serving as fire drill monitors are among the many services the Key Club provides

Activities planned for later in the year include a plant day around the school and fund raising projects in conjunction with the Kiwanis Club of Woodbridge.

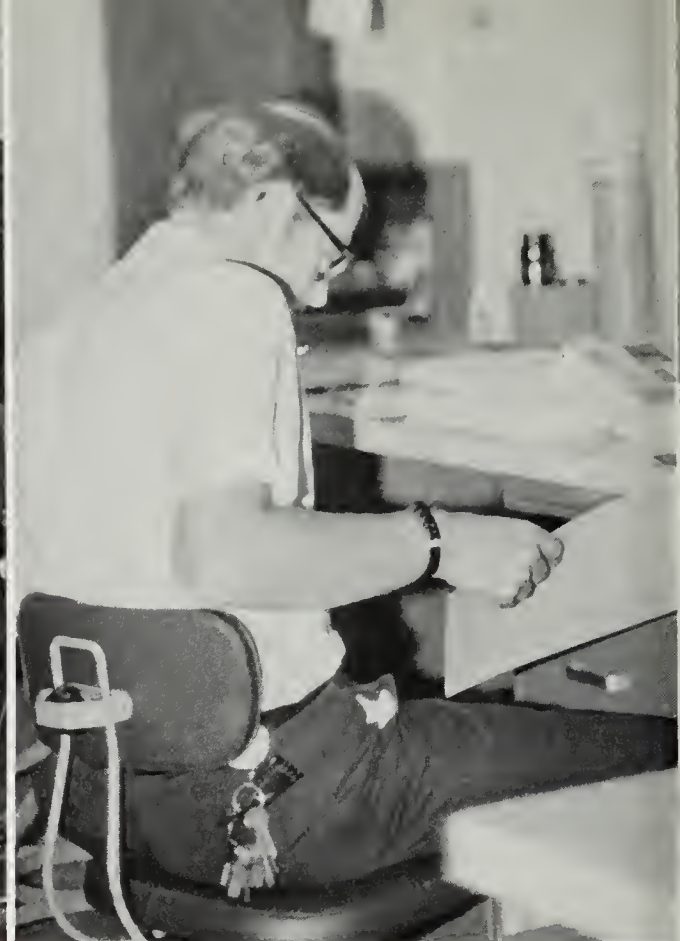

*Lynette,
 You good-looking girl that I
 had the pleasure of knowing
 these last two years we
 finally made it & it's almost
 over. How sad. Stay cool
 & Good luck at college
 May God Bless you.*

SENIORS

This was the first year in many that the seniors at Gar-Field were united for an entire year. This unity brought spirit and organization into their class. During their underclassmen years interest in class activities had been shared by a minority of the students. Each year interest picked up and their senior year proved to be the most successful. Activities were met with pride and enthusiasm. Spirit Week and the Senior Girl's Powderpuff football game were the highlights of the year, both of which helped to make this the best year for the Class of '74. They anxiously awaited the Class trip and Graduation which would be the last class activities of their high school years. The class sponsors changed throughout the years at Gar-Field each giving their all to help the class along. This year's sponsors were Mrs. Woods, Mrs. Scott, and Mr. Davis. The senior class will graduate knowing that Gar-Field Senior High will never forget them and that Virginia Beach is right down the road!

*I have
been
of my girl
all of my dreams
and I'll miss
every minute
without you
Good luck in
the future
for always
Paul*

You're a pretty face, a smile on the earth, and a star in they sky.
I really don't know what other words could describe you.
Live a happy life, lead a full one, and keep smiling "bright eyes!"

This year has gone so fast. You know this isn't the end
really, its a beginning for everything. Form you're life, and live
it full of happiness. Eternal happiness,

Being a senior cheerleader means getting the traditional pie in the face.

Paul shows school spirit by cheering for powder puff football game.

Mr. and Miss Gar-Field are selected by the senior class for their dedication and contributions to the school throughout their years at G-F.

MISS GAR-FIELD

KAY TYRRELL

Kay Tyrrell takes an active part in many school activities. She has been a cheerleader for three years and was captain of the Varsity squad her senior year. Kay was also a valuable member of the girls' track team. She belonged to the Girls' Varsity Club and was elected to be a member of the National Honor Society her junior year. Kay has always been active in class activities. She was a princess on the homecoming court both her junior and senior years. Kay was secretary of the Class of '74 for two years. Kay showed much enthusiasm and spirit throughout her high school years.

MR. GAR-FIELD

PAUL LORELLI

Paul Lorelli has actively participated in many phases of Gar-Field life. He has been active in sports, student government, the band, and class activities. In his sophomore year, Paul was elected "Most valuable tennis player". He attended Boys State his junior year and was vice-president of the senior class. Paul was a member of Mu Alpha Theta and the National Honor Society. He has also devoted time and hard work to the Gar-Field band each of his four years at the school. Paul was also known for his friendliness towards everyone and his spirit for G-F.

Handwritten note:
 Hey, I'm glad
 to see you and
 all the good
 stuff you've
 been doing for
 G-F. It's time
 to say goodbye
 to you. We're
 going to miss
 you. We'll be
 glad to see
 you again. We
 love you. Kay

JUNIORS

With the sophomore and freshman years behind them, the juniors shrugged their title of the "foolishly wise" and took their stand of "lower upper classmen." With that, came all the pomp and glory of the junior year; the Junior Variety Show, Homecoming, Prom and number one the anticipation of the day when classings would become their trademark.

Their sophomore year had proved to be a thrill with second place on the homecoming float, second place in Spirit Weeks' hall competition, and a very successful beauty contest, but their junior year would long be remembered for their spirit.

This year started out with a bang, jammed packed with excitement. No sooner had the juniors caught their breath from one activity before they started another. Their busy schedule included bake sales, animal candle sales, entering an original float for Homecoming and don't forget the rewarding efforts made on Spirit Weeks' hall competition. The triumphant juniors walked away with first place.

The next big event was the Junior Variety Show held in January and the Junior-Senior Prom in May. With the help of their sponsors Mrs. Statler, Miss Garrigues, Mr. Johnson, and Mr. Partidge the junior class proved to have a good year.

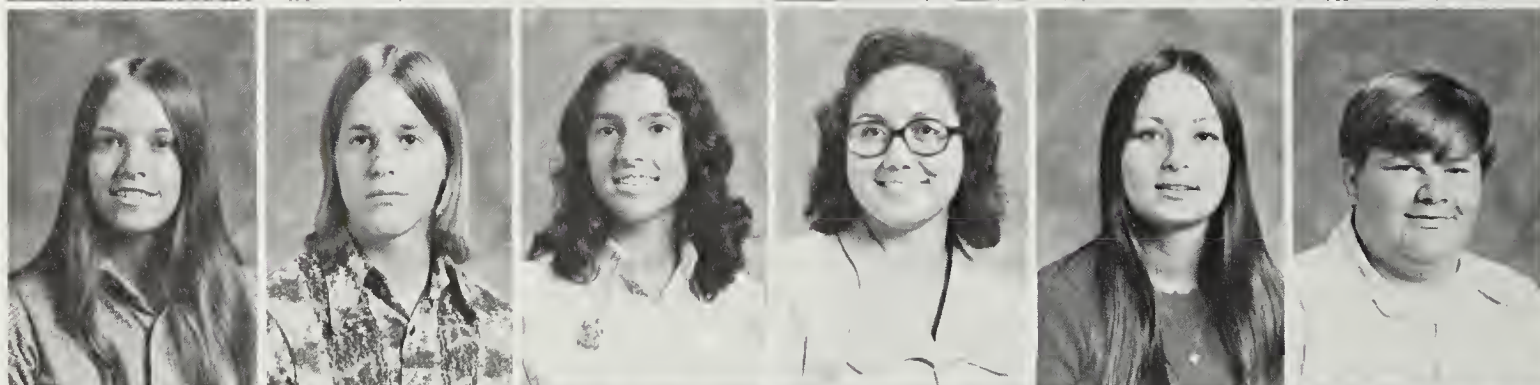

Pam Anderson — President, Terri McGlothlin — Treasurer, Larry Meyers — Sergeant-at-Arms, Ellen Gourdiar — Secretary, Kim Comer — Vice President.

SENIORS

SOPHOMORES

The sophomores started their second year off with a lot of enthusiasm. With a theme for homecoming of "Roast James Wood Colonels", they took over 1st place. Their float showed a colonel roasting over an open pit with bright streamers decorating it. Eagerness and the will to set forth much effort was shown by the class.

Coming a long way since last year, class meetings, held several times throughout the months, seemed to be going uphill. Many plans were made for the spring and they were anxious to make their Sophomore Beauty Contest a great success.

With the help and guidance of their class sponsors, who are Mr. Larson, Mrs. Early, Mr. G. Moore, Mrs. Good and Mr. Huntley, it was a great year for the class of 76!

Sally Beamer—Secretary, Susan Kearns—Treasurer, Perry Cox—Vice President, Rodney Roeske—Sergeant at Arms, Joyce Gilbert—President, Karen Smith—Publicity Chairman.

FRESHMEN

At the beginning it always seems to be a little nerve racking for freshmen. This year the freshman class got off to a fine start. Being their first year in high school and filled with uncertainty and fear it was hard for them to put things together. Their first major task was the float for Homecoming. They successfully accomplished the task and it was enjoyed by many. The Gar-Field vs Woodbridge game brought on Spirit Week. Decorating the lower cafeteria sure was a job, but with the help and fantastic spirit of many of the freshmen, they got the job done successfully. The ways the freshmen raised money this year were bake sales and car washes. It must be said that the class of 1977 is a very highly spirited class. And this spirit has helped them make Gar-Field a better school for all. We feel that they will leave a distinct mark on Gar-Field for years to come. The freshman class sponsors this year were Mrs. Newman, Mr. Rowson, Mr. O'Shea, and Mrs. Harris.

Michelle Quintana—Treasurer, Mary Ann Wilson—V.P., Debbie Jones—Pres., Toni Castro—Sec., Patty Myers—Class Reporter, Bill Glass—Sgt. at Arms.

SENIOR SUPERLATIVES 1973-74

Senior Superlatives, yes or no? The senior class voted among themselves whether to buy the pages for superlatives or not. The Superlatives merely acknowledged certain seniors who were thought to be appropriate for the titles. Nominations for the Superlatives were made during a senior class meeting and final voting was done during lunch.

IN MEMORIAM

My Aim of Life

I will live, not just exist;
Love's call, I won't resist.
My old friends I won't forget;
And my work with people, I won't regret.

To help others in this world survive;
In the nick of time I must arrive.
I'll be the most I can be,
Because I'll do my best, you see.

I'll do my best, you see;
That statement means a lot to me.
In life, be all that you can be;
And do your best eternally.

Lydia,

The great times we've had in the Spanish Club will live forever.

You are a very sweet person and fun to be with. ~~the~~ I'm glad you moved near me. I hope we can see each other again real soon.

Keep us you out-going, generous personality. You'll win more hearts than you'll know what to do with.

Miss Pickens, fondly known as "Aunt Bea", proved to be, without a doubt, a valuable asset without which this yearbook could never have come about. Putting up with our crazy antics, incessant teasing, impromptu calls and always there with a shoulder to cry on, she is loved and appreciated by the entire staff — we'll never forget that laugh!

Mr. Barrett, who we kept 'in the dark' as much as possible printing our pictures, developing our negatives, and delegating duties to any 'volunteers' he could acquire was in his 'breaking-in' period this year. Keep cool, "Uncle Tom", things will be even darker next year for you **and** your red bow tie!

Mr. Vestal, always as close as the nearest telephone managed to find time for us despite his busy schedule to answer our many questions and keep us posted on our 'deadline status'.

Mr. Bob Clay who assisted with the shooting of senior portraits is much appreciated for helping out in a time of need.

Mr. Ponstingel whose darkroom hasn't been his own since spring of 1973 provided us with many of our pictures either by taking them himself, developing and printing our negatives, and the use of his darkroom. It's yours again, "Mr. P"! Cheers!!

The Potomac News, especially Charlie Hines, Paul Lewis, and Cyndi Young, and the Journal Messenger provided us with those few 'missing pictures'.

Lydia,
Well the four
years of torture are
over and you should
remember every single moment.
Math Class wouldn't have been
the same without you. So to one
of the prettiest, sweetest, cutest and all
the other possible good things to say to a girl
I would like to wish you the best of luck
and May God Bless you

Love Always
B Jly Myers

Lydia,
You're one of the ^{prettiest too}
greatest, nicest people
I've met this year.
I hope to see you
come back to G-F,
and see us next
year. May God bless
you. Love, 
Susan
Hearn

Dear Lydia,

I will remember this year forever.
I was blessed by this father so many times.
I hope our friendship will grow over the
summer. I will probably be over at Toni's
a number of times for cookouts maybe. Remember
Your Father and Brother Jesus love you forever + ever

God Bless You

Lydia,

I can honestly say I'm ready to leave school. It's just that there are so many wonderful memories & it's hard. Your friendship has meant a lot to me. We had fun at breakfast too, remember? Take care
God bless you

Lydia,

This is it! Can you believe it? It's hard to say goodbye but it's beautiful in a way too isn't it? It's been fun, working with the club, S.G.C (?), the football games... and the list goes on. It's been great & I hope to see you in the future. Good luck, be good & stay sweet. Love ya -

Lydia,
I haven't known you for that long, but it's been a long time since we all had that dinner party at Rose's house. That was the first time I really got to talk to you. I've thought a lot about you & had a lot of fun with you. Good luck in Science & all the other things you do. Love always.

Lydia,

I hope Longwood is good to you.
You're one friend I'll be really super
sorry to leave. With ~~your~~ ^{your} looks and
personality you don't need luck, but I
wish it to you anyway. All the
best of ~~success~~ ^{success} in life and love to
you always. Don't forget me or G-7
or Mr Shoffermanns (how could you?) or
Algebra II and everything else.

Love,

Sue

Lydia,

At least we made it
through English with
flying colors. Good luck in
whatever you attempt to do.
Have fun, enjoy life, and
take care - God Bless ya.

Luv ya,

Lydia,
 I hope you only
 won't only remember the
 differences we had this year.
 Through all of school you
 can safely say it's been fun.
 Hope your luck holds
 through life and keep smiling,
 it's beautiful.

I y. dia,
 you're one of the nicest
 people I've met. No people
 like you who've made these
 four years worth it. Good
 luck in every thing. Have
 fun.

Dear Lydia,
It's been a long four
years but we finally made
it! Never forget all the good things
times in advisory and all the
we pulled over on KMR. Rodiffer
Best of luck in the future!

Dear Lydia,
Well our high school years are over
and now we have our memories. Prom
was fun and I'm glad Cassius Forum
wasn't topless. I hope you have much
happiness in your life & all your
wishes come true.
Love,
Rose

Lydia,

As long as we've known
each other, I feel like I
could write a lot but you
know everything. We've had
fun in all our classes parties.
Remember everything we've
done and all the fun. Forget
all the bad times if there
was any. I'll see you
this summer and have
fun in college.

Constant and Everlasting
Love,
Rob
